From the Desk of the Principal:

It's been a great year and I've enjoyed working with your children. To all of our outgoing 6th graders, I am excited to see what awesome things you will do with your futures!

Some notes for next year...

- Class lists WILL NOT BE POSTED on school windows for privacy reasons. You may check your ParentVUE account **mid-July** to see who your child's teacher will be.
- Check Thatcherud.org, click on TES, to find your students class supply list.

I hope you all have a fun and safe Summer break! School will begin August 10, 2022.

What an awesome year! Thank you so much for being there for your students. With your extra help, the students have done a great job. We would like to thank all the parent volunteers that have helped with PE, art, parties, and everything else.

Some of our May activities include: Monday, May 16th, we will have popcorn and a movie. Tuesday, May 17th, 3rd graders are having a talent show (No parents, students only). Wed, May 18th, we will be walking to the park for a picnic lunch. Students will need a lunch and a drink. Also, the students need to wear clothes and shoes that can get wet because they won't be able to change their clothes. The fire trucks are coming to spray the students at 1:00 pm. The students will also need a towel to dry off. **NO EXTRA SHOES OR CLOTHES; WHAT THEY WEAR IS WHAT WILL GET WET.** Thurs, May 19th, school will be dismissed at 10:15 am.

We cannot believe the end of the school year is in sight!! It has been a good year. Our students have worked very hard and progressed a lot. Thank you for all of your help. We have so many parents who support their child's education. We couldn't do our jobs without you.

We are still working and taking grades. Help your child finish their homework daily. Please encourage your child to continue reading and turn in those book reports to reach the 25 books read goal before the end of the year. There will be an award for those that complete this goal.

Thanks again for your support this school year!!

Summer is in the air! The end of the school year will be here before we know it! Just a reminder that students still have work to do, so remind your students to continue to work hard. The last book report of the year is due May 10th. For this book report, they will need to write a one-page summary of the book they read and draw a picture of the cover page. End of the year activities are also in full swing! Fifth grade music performances will be held on May 12th at 9:00 for Miss Hirshouer, Mrs. Allred, and Mrs. Nagy's classes, and 9:30 for Mrs. Hunt, Ms. Matthews, and Miss Udall's classes. If you have any questions or concerns, please don't be afraid to contact your child's teacher. We would like to thank you all again for all of your support this year. We couldn't do it without you!

We've almost made it to the end!! Can you believe it?!

In these last few weeks, it is imperative that students remember we are still at school with work to do. We have a lot planned and fun privileges can be taken away for poor behavior. In particular, students could lose the opportunity for the pool party, scheduled for May 17th. If students cannot make good choices while at school, the team will **not** allow them to potentially make them at the party.

We are excited for those moving on to 7th grade and look forward to see them grow!

Let's do our best to make these last couple of weeks great!
