American Education Week

This week we celebrated the American Education week at CRS and LLE. We started the week off with the World Kindness Day. Each day was a different, fun activity for the children. They had DEAR (Drop Everything And Read) time, Thank You Note day, Teacher Switch Day, a Food Drive and Spirit Day. The students and staff have truly enjoyed taking part in all of the special activities this week. We thank all of the families for making the week a success!

4th Grade Field Trip to Tenafly Nature Center

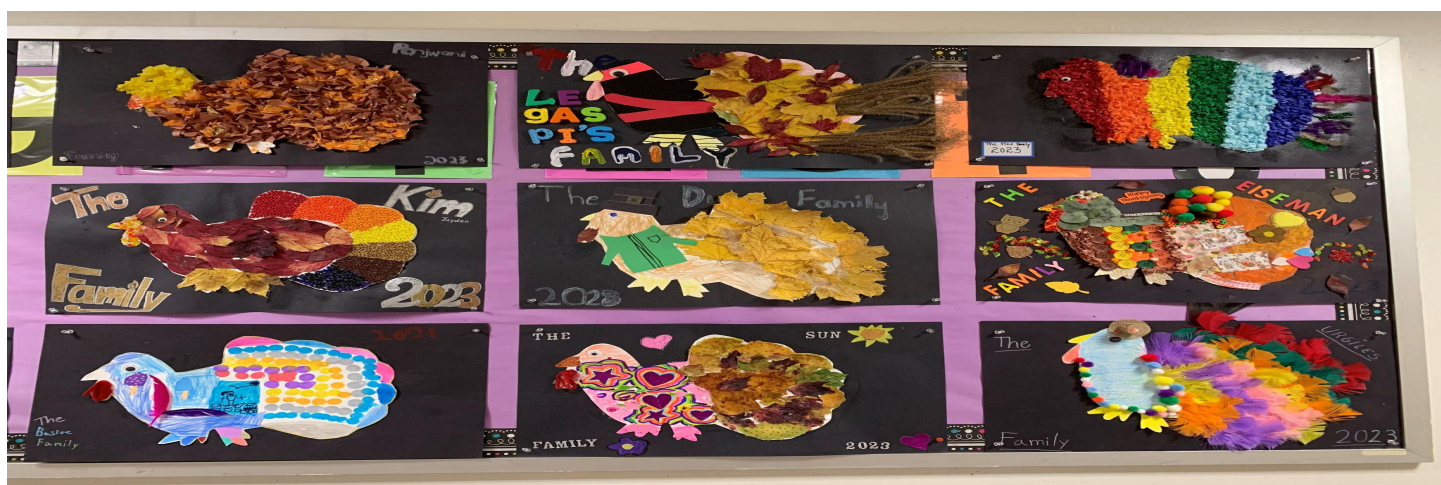

On Thursday, November 16th, the 4th grade went to the Tenafly Nature Center. They participated in making apple cider, learned how the Palisades were formed and why geology is important. They ended the day with an enjoyable hike.

Spotlight on 2nd Grade

The second grade at LLE has been embracing the Thanksgiving season! Students have received a project to work on with their family to decorate a turkey that will hang in the hallways. This project was created with the idea to include some quality family time. We are so excited to see these amazing projects return to school this week! In addition, we have been working on various Thanksgiving themed writing pieces to show all that we are thankful for and using transition words in a creative "How to Catch a Turkey" writing.
