Dear Parents and Guardians,

Thank you for your interest in the Oracle Elementary School District! Open enrollment is a special program for any family living outside our school district boundaries who wishes for their child to attend Mt. Vista K-8 School or Mt. Vista Kindergarten Prep Program.

Your child and their peers are at the center of each decision we make at Mt. Vista K-8 School and Mt. Vista Kindergarten Prep Program. You will find highly dedicated and trained teachers, staff who will inspire your child to achieve success. Because of our supportive community, we now have some of the finest educational facilities in the area and we offer a wide variety of programs to meet the individual academic and extracurricular interests of your child.

In order to provide the greatest opportunities possible, each year we determine how many open enrollment students we can accommodate. In compliance with A.R.S 15-816 and District Policy JFB, open enrollment availability is based on Governing Board approved class sizes for each grade level and program. Students who have applied for open enrollment may be placed on a waiting list if capacity is exceeded.

If you wish for your child to attend Mt. Vista K-8 School or Mt. Vista Kindergarten Prep Program for the 2024-2025 school year, please complete the attached Open Enrollment Application Form. You will be notified by the school whether or not your child's application has been accepted, denied, or if they have been added to a waiting list.
