

Happy Valley School School Driver Certification Form

(Statement of Insurance, Mechanical Condition of Vehicle, Licensing)

Dear Parents,

Many times during the school year there is a need for volunteer drivers to transport students on field trips. If you think you may be able to drive on any trips during the year please fill out the form below and return it to the school. Happy Valley School's insurance company requires that a form be on file in the school office for anyone who transports students to school functions. **Please be sure to fill out a separate form for each driver and complete all the fields. Any field left blank (i.e. License Number) will prevent the driver's name from being included on our field trip driver list. We have a right to refuse driving privileges at anytime.**

We thank all of you who so generously help our students to have educational and fun trips.

Driver Must Submit Proof of COVID Vaccination and have been fingerprinted through the County Office of Education (see Paige for paperwork).
