

CES Student Spotlight April, 2024

Emily Alvarado

Emily is someone that you can always count on to have a positive, collaborative attitude, whether that's in the classroom, in the lunchroom, or on the playground. She embodies cooperation and is able to work with so many different personalities. I see her truly listen to her classmates and try her very best to help everyone succeed. Emily is a consistent team player and is so deserving of being our CES Student Spotlight!
