

CES Student Spotlight - April, 2024

Eleanor Lowe

Eleanor proves to be one of the most kind, compassionate, and cooperative 2nd graders I know. Not only does she work well with partners and in groups (whether she gets to choose or is assigned), but she makes strong peer relationships with ALL students and staff, and also strives to see a need others have and always offers help. Her cooperation and giving nature make her truly one of a kind and a pleasure to have in class.
