\* May be subject to collective bargaining.

\*\* As used in this policy, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005(4) and 125.300-125.325. ## Personnel: Definitions

“Licensed employees” are those holding a position that requires a license issued by the state Teacher Standards and Practices Commission (TSPC).

1. A “teacher” is an employee who holds a teacher’s license or is registered to teach by TSPC.
2. A “contract teacher” is any teacher who has been regularly employed by the district for a probationary period of not more than three successive school years and who has been retained for the next succeeding school year.
3. A “probationary teacher” is one who is not a contract teacher and who works at least 135 consecutive days in any school year as a teacher in the district. At least 30 consecutive days of employment in the district in a successive year shall be sufficient to keep the service intact, and the teacher shall not lose credit for previous probationary years served.
4. A “temporary teacher” is any teacher employed to fill a position designated as temporary or experimental or to fill a vacancy that occurs after the opening of school because of unanticipated enrollment or the death, disability, retirement, resignation, contract nonextension or dismissal of a contract or probationary teacher.
5. A “substitute teacher” is any teacher employed to take the place of a probationary or contract teacher who is temporarily absent. A substitute teacher is employed on a day-to-day basis, without contract, and does the work of the regularly assigned teacher during the latter’s absence from duty. Substitutes will not be eligible for fringe benefits and will be paid at a rate established annually by the Board in accordance with the provisions of Oregon law.
6. An “intern teacher” is a regularly enrolled candidate of an approved educator preparation provider, who teaches under the supervision of the staff of the provider and of the employing district, in order to acquire practical experience in teaching. The intern teacher receives both academic credit from the provider and financial compensation from the district or education service district.
7. An “administrator” is an employee who holds a valid Oregon administrative license or registration and who works in a position requiring an administrative license. An administrator includes but is not limited to, all superintendents, assistant superintendents, principals and academic program directors in public schools or education service districts, who have direct responsibility for supervision or evaluation of licensed teachers and who are compensated for their services with public funds.
8. A “specialist” is an employee who has a teaching license or a letter of authorization from the Oregon Department of Education and who is employed half-time or more.

“Classified personnel” are those employees in positions for which no teaching or administrative licenses are required by law.

1. “Regular classified employees” are those regularly employed in positions established by the Board requiring 20 or more hours per week for at least a full school year.
2. “Part-time regular classified employees” are those employed in positions established by the Board requiring less than 20 hours per week for at least a full school year.
3. “Temporary/Substitute classified employees” are those employed on an as-needed basis. The Board shall determine if these employees are eligible for benefits.

“Supervisory employees” are those individuals having authority to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward or discipline other employees, or responsibly to direct them, or to adjust their grievances or effectively to recommend such action if the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.

“Confidential employees” are designated in accordance with Oregon law (ORS 243.650(6)). Such employees will be excluded from any bargaining unit. Salaries and benefits for confidential employees will be established by the Board.

“Administrative employee” means an employee of the district who possesses authority to formulate and carry out administrative and/or program decisions, or who represents administration’s interest by taking or effectively recommending discretionary actions that control or implement district policy, and who has discretion in the performance of these administrative and/or program responsibilities beyond the routine discharge of duties. An administrative employee need not act in a supervisory capacity in relation to other employees.

## Veterans' Preference

Oregon's Veterans' Preference Law requires the district to grant a preference to qualified and eligible veterans and disabled veterans at each stage in the hiring and promotion process. To be **qualified** for veterans' preference, a veteran or disabled veteran must meet the minimum and any other special qualifications required for the position sought. To be **eligible** for veterans' preference<sup>1</sup> a veteran or disabled veteran must provide certification they are a veteran or disabled veteran as defined by Oregon law<sup>2</sup>.

The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran. The district is obligated to interview all minimally qualified veterans or disabled veterans and to hire or promote a qualified or eligible veteran or disabled veteran if the individual is equal to or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

### Recruitment Procedures

All job postings or announcements will include a concise list of minimum and any special qualifications required for the position. Job postings will include a statement that the district's policy is to provide veterans and disabled veterans with preference as required by law and the job posting will require applicants to provide certification<sup>3</sup> of eligibility for preference, in addition to other requested materials.

### Selection Procedures<sup>4</sup>

---

<sup>1</sup> See Oregon Revised Statute (ORS) 408.235.

<sup>2</sup> See Oregon Revised Statute (ORS) 408.225 and OAR 839-006-0440 for definitions of veteran and disabled veteran.

<sup>3</sup> See Verification of Veteran's Preference (OAR 839-006-0465). An applicant claiming veteran's or disabled veteran's preference will submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) or a certification that the veteran is expected to be discharged or released from active duty under honorable conditions not later than 120 days after the submission of the certification. A disabled veteran may also submit a copy of their letter from the U.S. Department of Veterans Affairs, unless the information is included in the DD Form 214/215 or a certification that the veteran is expected to be medically separated from active duty under honorable conditions not later than 120 days after the submission of the certification.

<sup>4</sup> ~~If the district chooses not to use a scored system the law requires that the district give special consideration in the district's hiring decision to veterans and disabled veterans and the district will need to be able to demonstrate the method used for providing special consideration. ORS 408.230(2)(e).~~

- Step 1: Before the review of any applications the human resource ~~director~~ coordinator will establish an evaluation scoring guide based on the minimum and any special qualifications listed in the job posting.
- Step 2: The human resource ~~director~~ coordinator will review the application materials using the evaluation scoring guide to determine which applicants meet the minimum and any special qualifications listed in the job posting. In assessing the applicant materials of a veteran or disabled veteran the human resource ~~director~~ coordinator shall evaluate whether the skill experience obtained in the military are transferable to the posted position. Any applicants that do not meet the minimum and any special qualifications shall be removed from the applicant pool.
- Step 3: Based on Step 2, the human resource ~~director~~ coordinator determines who will be interviewed. All qualified and eligible veterans or disabled veterans shall be given an opportunity to interview.
- Step 4: Interview questions and scoring sheets will be developed and each scoring sheet must be completed after each interview by the interviewers.
- Step 5: Following completion of the interviews, the human resource ~~director~~ coordinator shall complete the selection matrix and score the applicants based on the scoring sheets completed during interviews. Veterans' preference shall be applied by adding 5 percentage points to an eligible veteran and 10 percentage points to an eligible disabled veteran.
- Step 6: The human resource ~~director~~ coordinator makes the offer to the applicant with the highest final score. The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran.

The district is obligated to hire or promote a qualified or eligible veteran or disabled veteran if they are equal or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

### **Filing a Complaint**

A veteran or disabled veteran is encouraged to contact the human resource office if they have any concerns or questions concerning the application of or the process used for veterans' preference.

A veteran or disabled veteran claiming to be aggrieved by a violation of Board policy GBA - Equal Employment Opportunity or this administrative regulation, may file a written complaint with the Civil Rights Division of the Bureau of Labor and Industries (BOLI) in accordance with Oregon Revised Statute (ORS) 659A.820.

## Staff Ethics

### I. Prohibited Use of Official ~~Position~~ Positions for Financial Gain

No district employee will attempt to use their district position to obtain financial gain or avoidance of financial detriment for themselves, relatives, members of household or for any business with which the employee, a household member or relative is associated, if the financial gain or avoidance of financial detriment would not otherwise be available but for the district employee's employment with the district.

This prohibition does not apply to any part of an official compensation package as approved by the Board, honorarium, reimbursement of expenses, or unsolicited awards of professional achievement. Further, this prohibition does not apply to gifts from one without a legislative or administrative interest. Nor does it apply if the gift is under the \$50 gift limit for one who has a legislative or administrative interest in any matter subject to the decision or vote of the district employee.

The employee may receive district or school logo apparel as part of the employee's official compensation package.

District employees will not engage in, or have a personal financial interest in, any activity that raises a reasonable question regarding the use of their official position in ~~regard~~ regards to their duties and responsibilities as district employees. This would also apply to any personal financial benefit for the district employee's relative or member of household of the employee, or any business with which the district employee or a relative or member of the household of the district employee is associated.

This means that:

1. Employees, relatives or ~~members~~ member of the district employee's household will not use the employee's position to obtain financial gain or avoidance of financial detriment from students, parents or staff;
2. Any device, publication or any other item developed during the employee's paid time shall be district property;
3. Employees will not further personal gain through the use of confidential information gained in the course of or by reason of position or activities in any way;
4. No district employee may serve as a Board or budget committee member in the district;
5. An employee will not perform any duties related to an outside job during ~~his/her~~ regular working hours or during the additional time ~~needed that he/she needs~~ needed to fulfill the position's responsibilities; nor will an employee use any district facilities, equipment or materials in performing outside work;

6. If an employee authorizes a public contract, the employee may not have a direct beneficial financial interest in that public contract for two years after the date the contract was authorized.

If a district employee has a potential or actual conflict of interest, the district employee must notify ~~their~~<sup>his/her</sup> supervisor in writing of the nature of the conflict and request that the supervisor dispose of the matter giving rise to the conflict. This must be done on each occasion the district employee is met with a conflict of interest.

“Potential conflict of interest” means any action or any decision or recommendation by ~~at~~<sup>the</sup> district employee that could result in a financial benefit or detriment for self or relatives or for any business with which the district employee or relatives are associated, unless otherwise provided by law.

“Actual conflict of interest” means any action or any decision or recommendation by ~~at~~<sup>the</sup> district employee that would result in a financial benefit or detriment for self or relatives or for any business with which the district employee or relatives are ~~associated~~<sup>associated</sup>, unless otherwise provided by law.

In order to avoid ~~violation~~<sup>violations</sup> of nepotism provisions and district policy, district employees must abide by the following ~~rules~~ when an employee’s relative or member of the household of the district employee, is seeking and/or holds a position with the district:

1. A district employee may not appoint, employ, promote, discharge, fire, or demote or advocate for such an employment decision for a relative or a member of the household, unless ~~they comply~~<sup>he/she complies</sup> with the conflict of interest requirements of Oregon Revised Statute (ORS) Chapter 244. This rule does not apply to employment decisions regarding unpaid volunteer position, unless it is a Board-related position;.
2. A district employee may not participate as a public official in any interview, discussion, or debate regarding the appointment, employment, promotion, discharge, firing, or demotion of a relative or a member of the household. An employee may still serve as a reference, provide a recommendation, or perform other acts that are part of the normal job functions of the employee;.
3. More than one member of an employee’s family may be hired as a regular district employee. In accordance with Oregon law, however, the district may refuse to hire individuals, or may transfer current employees, in situations where an appointment would place one family member in a position of exercising supervisory, appointment or grievance adjustment authority over another member of the same family. Employees who are members of the same family may not be assigned to work in the same building except by the superintendent’s approval.

“Member of ~~the~~ household” means any person who resides with the employee.

“Relative” means: ~~the spouse<sup>1</sup>, parent, step-parent, child, sibling, step-sibling, son-in-law or child~~<sup>the spouse<sup>1</sup>, parent, step-parent, child, sibling, step-sibling, son-in-law or child</sup> daughter-in-law of the employee; or the parent, step-parent, child, sibling, step-sibling, ~~son-in-law or child~~<sup>son-in-law or child</sup> daughter-in-law of the spouse of the employee. Relative also includes any individual for whom the employee has a

---

<sup>1</sup> The term spouse includes domestic ~~partner~~<sup>partners</sup>.

legal support obligation, whose employment provides benefits<sup>2</sup> to the employee, or who receives any benefit from the employee’s public employment.

## II. Gifts

District employees must comply with the following rules involving gifts:

Employees are public officials and therefore will not solicit or accept a gift or gifts with an aggregate value in excess of \$50 from any single source in a calendar year that has a legislative or administrative interest in any matter subject to the decision or vote of the district employee. All gift-related provisions apply to the employee, their relatives, and members of their household. The \$50 gift limit applies separately to the employee, and to the employee’s relatives or members of household, meaning that the employee and each member of their household and relative can accept up to \$50 each from the same source/gift giver. A gift may be received by the district employee from, but not limited to, another district employee, a student or parent of a student or a vendor within the \$50 gift limit. Except for exclusions in ORS 244.040(2), an item received by an employee from the district is prohibited.

“Gift” means something of economic value given to an employee without valuable consideration of equivalent value, which is not extended to others who are not public officials on the same terms and conditions. “Relative” means: the spouse<sup>3</sup>, parent, step-parent, child, sibling, step-sibling, ~~son-in-law or child~~ daughter-in-law of the employee; or the parent, step-parent, child, sibling, step-sibling, ~~son-in-law or child~~ daughter-in-law of the spouse of the employee. Relative also includes any individual for whom the employee has a legal support obligation, whose employment provides benefits<sup>4</sup> to the employee, or who receives any benefit from the employee’s public employment.

“Member of the household” means any person who resides with the employee.

### Determining the Source of Gifts

Employees, the employee’s relatives or members of the employee’s household should not accept gifts in any amount without obtaining information from the gift giver as to who is the source of the gift. It is the employee’s personal responsibility to ensure that no single source provides gifts exceeding an aggregate value of \$50 in a calendar year, if the source has a legislative or administrative interest in any matter subject to the decision or vote of the district employee. If the giver does not have a legislative or administrative interest, the \$50 limit does not apply and the employee need not keep track of it, although they are advised to do so anyway in case of a later dispute.

### Determining Legislative and Administrative Interest

A “legislative or administrative interest” means an economic interest, distinct from that of the general public, in any action subject to the official decision of an employee.

---

<sup>2</sup> Examples of benefits may include, but not be limited to, elements of an official compensation package including benefits such as insurance, tuition or retirement allotments.

<sup>3</sup> Ibid. p. 2

<sup>4</sup> Ibid. p. 3

A “decision” means an act that commits the district to a particular course of action within the employee’s scope of authority and that is connected to the source of the gift’s economic interest. A decision is not a recommendation or work performed in an advisory capacity. If a supervisor delegates the decision to a subordinate but retains responsibility as the final decision maker, both the subordinate and supervisor’s actions would be considered a decision.

### **Determining the Value of Gifts**

The fair market value of the merchandise, goods, or services received will be used to determine benefit or value.

“Fair market value” is the dollar amount goods or services would bring if offered for sale by a person who desired, but was not obligated, to sell and purchased by one who is willing, but not obligated, to buy. Any portion of the price that was donated to charity, however, does not count toward the fair market value of the gift if the employee does not claim the charitable contribution on personal tax returns. Below are acceptable ways to calculate the fair market value of a gift:

1. In calculating the per person cost at receptions or meals the payor of the employee’s admission or meal will include all costs other than any amount donated to a charity.

For example, a person with a legislative or administrative interest buys a table for a charitable dinner at \$100 per person. If the cost of the meal was \$25 and the amount donated to charity was \$75, the benefit conferred on the employee is \$25. This example requires that the employee does not claim the charitable contribution on personal tax returns.

2. For receptions and meals with multiple attendees, but with no price established to attend, the source of the employee’s meal or reception will use reasonable methods to determine the per person value or benefit conferred. The following examples are deemed reasonable methods of calculating value or benefit conferred:
  - a. The source divides the amount spent on food, beverage and other costs (other than charitable contributions) by the number of persons whom the payor reasonably expects to attend the reception or dinner;
  - b. The source divides the amount spent on food, beverage and other costs (other than charitable contributions) by the number of persons who actually attend the reception or dinner; or
  - c. The source calculates the actual amount spent on the employee.

Upon request by the employee, the source will give notice of the value of the merchandise, goods, or services received.

Attendance at receptions where the food or beverage is provided as an incidental part of the reception is permitted without regard to the fair market value of the food and beverage provided.

### **Value of Unsolicited Tokens or Awards: Resale Value**

Employees may accept unsolicited tokens or awards that are engraved or are otherwise personalized items. Such items are deemed to have a resale value under \$25 (even if the personalized item cost the source more than \$50), unless the personalized item is made from gold or some other valuable material that would have value over \$25 as a raw material.

## Entertainment

Employees may not solicit or accept any gifts of entertainment over \$50 in value from any single source in a calendar year that has a legislative or administrative interest in any matter subject to the decision of the employee unless:

1. The entertainment is incidental to the main purpose of another event (i.e., a band playing at a reception). Entertainment that involves personal participation is not incidental to another event (such as a golf tournament at a conference); or
2. The employee is acting in their official capacity for a ceremonial purpose.

Entertainment is ceremonial when an employee appears at an entertainment event for a “ceremonial purpose” at the invitation of the source of the entertainment who requests the presence of the employee at a special occasion associated with the entertainment. Examples of an appearance by an employee at an entertainment event for a ceremonial purpose include throwing the first pitch at a baseball game, appearing in a parade and ribbon cutting for an opening ceremony.

## Exceptions

The following are exceptions to the ethics rules on gifts that apply to employees:

1. Gifts from relatives and members of the household to the employee are permitted in an unlimited amount; they are not considered gifts under the ethics rules;
2. Informational or program material, publications, or subscriptions related to the recipient’s performance of official duties;
3. Food, lodging, and travel generally count toward the \$50 aggregate amount per year from a single source with a legislative or administrative interest, with the following exceptions:

*Organized Planned Events.* Employees are permitted to accept payment for travel conducted in the employee’s official capacity, for certain limited purposes:

- a. Reasonable expenses (i.e., food, lodging, travel, fees) for attendance at a convention, fact-finding mission or trip, or other meeting do not count toward the \$50 aggregate amount IF:
  - (1) The employee is scheduled to deliver a speech, make a presentation, participate on a panel, or represent the district; AND
    - (a) The giver is a unit of a:
      - (i) Federal, state, or local government;
      - (ii) An Oregon or federally recognized Native American Tribe; OR
      - (iii) Nonprofit corporation.
  - (2) The employee is representing the district:
    - (a) On an officially sanctioned trade-promotion or fact-finding mission; OR

- (b) Officially designated negotiations or economic development activities *where receipt of the expenses is approved in advance by the superintendent.*

The purpose of the exception in a. above is to allow employees to attend organized, planned events and engage with the members of organizations by speaking or answering questions, participating in panel discussions or otherwise formally discussing matters in their official capacity. This exception to the gift definition does not authorize private meals where the participants engage in discussion.

4. Food or beverage, consumed at a reception, meal, or meeting IF held by an organization and IF the employee is representing the district.

“Reception” means a social gathering. Receptions are often held for the purpose of extending a ceremonial or formal welcome and may include private or public meetings during which guests are honored or welcomed. Food and beverages are often provided, but not as a plated, sit-down meal;

5. Food or beverage consumed by employee acting in an official capacity in the course of financial transactions between the public body and another entity described in ORS 244.020(7)(b)(I)(i);
6. Waiver or discount of registration expenses or materials provided to employee at a continuing education event that the employee may attend to satisfy a professional licensing requirement;
7. ~~An~~ gift item received by the employee as part of the usual or customary practice of the employee’s private business, employment or position as a volunteer that bears no relationship to the employee’s district employment;
8. Reasonable expenses paid to employee for accompanying students on an educational trip.

## Honoraria

An employee may not solicit or receive, whether directly or indirectly, honoraria for the employee or any relative or member of the household of the employee if the honoraria are solicited or received in connection with the official duties of the employee.

The honoraria rules do not prohibit the solicitation or receipt of an honorarium or a certificate, plaque, commemorative token, or other item with a value of \$50 or less; or the solicitation or receipt of an honorarium for services performed in relation to the private profession, occupation, avocation, or expertise of the employee.

## Staff Ethics

District employees are allowed financial benefits as identified in Oregon Revised Statute (ORS) ~~ORS~~ 244.040(2), such as their official compensation package, reimbursed expenses, limited honoraria and unsolicited awards for professional achievement. District employees are prohibited from using or attempting to use ~~their/his/her~~ district position to obtain a financial gain or to avoid a financial detriment for the district employee, a relative or member of the household of the employee, or any business with which the employee or a relative or member of the household of the employee is associated, if the opportunity for financial gain or avoidance of a financial detriment would not otherwise be available but for the employee's position with the district. Specifically, this means that:

1. Employees will not use district equipment for personal use, unless it is available to a significant segment of the general public. This includes, but is not limited to, the personal use of the district's:
  - a. Fax machine<sup>1</sup>;
  - b. Phones to make long distance personal calls;
  - c. District vehicles;
  - d. Professional technology equipment (e.g., wood shop, automotive shop, CAD); and
  - e. Athletic facilities (e.g., pool or weight room).

Further, the district's supplies, facilities, equipment, employees, records or any other public resources are not to be used to engage in private business interests. For example, the district's computer cannot be used to sell products on an auction website during school hours.

2. When employees are traveling on official district business, any gift given because of this travel must be either declined or passed on to the district for use for future district travel. For example, if the hotel where the employee is staying gives the employee a free night's stay on a future visit, this must be declined or given back to the district for future district travel. The frequent flyer miles earned when traveling on official district business can only be used for district travel. If the employee's spouse is traveling with the employee, the employee is responsible for all additional charges (i.e., additional room charge).
3. Employees may not use personal credit cards for district travel or other district business and receive incentives such as cash reimbursements, frequent flyer miles and other benefits based upon the dollar amount of purchases made.
4. Employees may not use discounts offered by private companies for the employee's personal benefit if the discount is only offered because of the employee's official position. For example, an office supplies store provides all teachers a 10 percent discount. Because the teachers are receiving this discount only because of their official position, they cannot use the discount to purchase personal

---

<sup>1</sup>The district could establish a fee schedule that would allow only district employees to pay for the personal use of the district fax machines. If the district established a fee schedule for the use of fax machines the fee schedule must be equal to or exceed the prevailing rates offered at commercial businesses.

items. Teachers may use the discount to purchase items for district use. Employees can also accept the discount if it is also available to a substantial segment of the population who are not public officials.

5. Employees may accept free passes to district extracurricular events if they are attending these events in their official capacity (i.e., chaperoning, ticket sales or managing concession sales). In order to promote employee participation in extracurricular activities, the district may include free passes in employees' official compensation packages or employees may be reimbursed by the district for the cost of admission.
6. The employee's district position is not to be used to take official action that could have a financial impact on a private business with which, the employee, a relative or member of the employee's household are associated. For example, if the employee's ~~sibling~~brother owns a pest-control business which is seeking a contract with the district, and the employee is part of the decision-making process, the employee must declare an actual conflict of interest in writing, describing the nature of the employee's conflict, and provide this to the employee's supervisor.
7. Confidential information gained as a district employee is not to be used to obtain a financial benefit for the employee, a relative or member of the ~~employee's~~public official's household or a business with which any are associated. For example, the employee should not use the information that a student in ~~their~~his/her class is falling behind in math to provide the parents a referral to the ~~employee's sibling's~~employee's ~~sister's~~ tutoring business.
8. District employees who mentor student teachers may not receive direct payments from sponsoring colleges or universities. The payment may be provided by the college or university to the district, which can then distribute the compensation to the teachers as an element of their official compensation package.
9. District employees must follow Oregon Government Ethics Commission guidelines for outside employment if the employee acts as a chaperone for student group trips on personal time and the district employee accepts compensation in the form of travel expenses from a private business or organization. Specifically, district employees must conduct all activities related to the trip on personal time and cannot use the classroom or school environment to plan the off-campus trip. Employees may use district facilities for this purpose only if they comply with the district's public use of facilities policy. It is not an ethics violation for the employee to accept reasonable expenses for accompanying students on an education trip.

These restrictions do not apply if the teacher is chaperoning students on a fact-finding mission that is officially sanctioned by the Board. ~~The definition of a fact-finding mission is, in part, any activity related to a cultural or educational purpose.~~

## Staff Religious Dress and Grooming

The Board believes that staff members set an example in dress and grooming for students and standards of professionalism for the district. A staff member who understands this precept and adheres to it enlarges the importance of his/her/their task, presents an image of professionalism and encourages respect for authority. These factors act in a positive manner towards the maintenance of discipline.

The district retains the authority to specify the following dress and grooming guidelines for staff that will prevent such matters from having an adverse impact on the educational process.

All staff when on duty shall:

1. Be physically clean, neat and well groomed;
2. Dress in a manner consistent with their assigned duties;
3. Dress in a manner that communicates to students a pride in personal appearance;
4. Be groomed in such a way that does not disrupt the educational process nor cause a health or safety hazard;
5. Be allowed to wear religious attire in accordance with the employee's sincerely-held beliefs, while maintaining religious neutrality and refraining from endorsing religion in the educational environment.

Staff are subject to disciplinary action up to and including dismissal for violating the terms of this policy.

The superintendent may develop guidelines to implement this policy.

## Staff Religious Dress

“Religious clothing” means religious dress worn in accordance with the employee’s sincerely-held beliefs, including but not limited to, head coverings, jewelry, emblems and other types of religious dress.

In assessing whether the district may restrict or prohibit the wearing of religious clothing, the district should consider whether:

1. The employee’s intent of wearing the religious clothing or by wearing the clothing is likely to be perceived by students, parents or employees to indoctrinate or proselytize students and/or create the impression that the district endorses religion or the employee’s particular religious belief.
  - a. Specific factors to be considered when assessing employee’s intent and reasonable perception should include, but not be limited to:
    - (1) The size and visibility of the religious clothing;
    - (2) The inclusion of any writing or symbols on the religious clothing that communicates a direct message;
    - (3) Any accompanying verbal statements or declarations of a religious nature that goes beyond a limited explanation of the religious significance or obligation associated with the wearing of the religious clothing;
    - (4) The number of employees requesting or wearing the same or similar religious clothing in the school; and
    - (5) The reasonableness of this perception should take into account the age, background and sophistication of the student, parent or employee in the school who regularly encounters the employee.
2. The wearing of religious clothing disrupts the educational process, harasses, intimidates, coerces or otherwise interferes with the rights of students, parents or another school employee in the district.

## Expression of Milk or Breast-feed in the Workplace

When possible an employee must give reasonable notice of the intent to express milk or breast-feed to principal or building supervisor. The district shall provide the employee a reasonable rest period to express milk or breast-feed each time the employee has a need to express milk or breast-feed. If feasible, the employee will take the rest period at the same time as the rest periods or meal periods provided by the district.

The district will make a reasonable effort to provide a location, other than a public restroom or toilet stall, in close proximity to the employee's work area, where an employee can express milk or breast-feed in private, concealed from view and without intrusion by other employees or the public. "Close proximity" means within walking distance from the employee's work area that does not appreciably shorten the rest or meal period. If a private location is not within close proximity to the employee's work area, the district may not include the time taken to travel to and from the location as part of the break period.

The following locations have been identified in each facility for milk expression or breast-feeding:

1. District office: ~~nurses~~ office with door locked;
2. Clatskanie Elementary School: ~~nurses~~ office with windows covered and door locked;
3. Clatskanie Middle High School: ~~nurses~~ office with door locked;
4. Bus barn: ~~nurses~~ office at Clatskanie Elementary School with windows covered and door locked.

An employee who expresses milk during work hours may use the available refrigeration to store the expressed milk. The district must allow the employee to bring a cooler or other insulated food container to work for storing the expressed milk and ensure there is adequate space in the workplace to accommodate the employee's cooler or insulated food container.

This policy and the list of designated locations is published in the employee handbook. The list of designated locations is available upon request in the central office of each school facility and in the district's central office.

This policy only applies to employees who are expressing milk or breast-feeding for children 18 months of age or younger.

## Workplace Harassment

Workplace harassment is prohibited and shall not be tolerated. This includes workplace harassment that occurs between district employees or between a district employee and the district in the workplace or at a work-related event that is off district premises and coordinated by or through the district, or between a district and a district employee off district premises. Elected school board members, volunteers and interns are subject to this policy.

Any district employee who believes they have been a victim of workplace harassment may file a report with the district employee designated in the administrative regulation GBEA-AR - Workplace Harassment Reporting and Procedure, may file a report through the Bureau of Labor and Industries' (BOLI) complaint resolution process or under any other available law. The reporting of such information is voluntary. The district employee making the report is advised to document any incidents of workplace harassment.

“Workplace harassment” means conduct that constitutes discrimination prohibited by Oregon Revised Statute (ORS) 659A.030 (discrimination in employment based on race, color, religion, sex, sexual orientation, gender identity, national origin, marital status, age, or expunged juvenile record), including conduct that constitutes sexual assault<sup>1</sup> or that constitutes conduct prohibited by ORS 659A.082 (discrimination against person in uniformed service) or 659A.112 (discrimination in employment based on disability).

The district, upon receipt of a report from a district employee who believes they are a victim of workplace harassment, shall provide information about legal resources and counseling and support services, including any available employee assistance services. The district employee receiving the report, whether a supervisor of the employer or the district employee designated to receive reports, is advised to document any incidents of workplace harassment, and shall provide a copy of this policy and accompanying administrative regulation to the victim upon their disclosure about alleged workplace harassment.

All incidents of behavior that may violate this policy shall be promptly investigated.

Any person who reports workplace harassment has the right to be protected from retaliation.

The district may not require or coerce a district employee to enter into a nondisclosure<sup>2</sup> or nondisparagement<sup>3</sup> agreement.

The district may not enter into an agreement with an employee or prospective employee, as a condition of employment, continued employment, promotion, compensation, or the receipt of benefits, that contains a nondisclosure provision, a nondisparagement provision or any other provision that has the purpose or effect of preventing the employee from disclosing or discussing workplace harassment that occurred between district employees or between a district employee and the district, in the workplace or at a work-

<sup>1</sup> “Sexual assault” means unwanted conduct of a sexual nature that is inflicted upon a person or compelled through the use of physical force, manipulation, threat or intimidation.

<sup>3</sup> A “nondisparagement” agreement or provision prevents either party from making disparaging statements about the other party.

related event that is off district premises and coordinated by or through the district, or between a district employee and employer off district premises.

The district may enter into a settlement agreement, separation or severance agreement that includes one or more of the following provisions only when a district employee claiming to be aggrieved by workplace harassment requests to enter into the agreement: 1) a nondisclosure or nondisparagement provision; 2) a provision that prevents disclosure of factual information relating to the claim of workplace harassment; or 3) a no-rehire provision that prohibits the employee from seeking reemployment with the district as a term or condition of the agreement. The agreement must provide the district employee at least seven days after signing the agreement to revoke it.

If the district determines in good faith that an employee has engaged in workplace harassment, the district may enter into a settlement, separation or severance agreement that includes one or more of the provisions described in the previous paragraph.

It is the intent of the Board that appropriate corrective action will be taken by the district to stop workplace harassment, prevent its recurrence and address negative consequences. Staff members in violation of this policy shall be subject to discipline, up to and including dismissal and/or additional workplace harassment awareness training, as appropriate. Other individuals (e.g., board members, witnesses, and volunteers) whose behavior is found to be in violation of this policy shall be subject to appropriate sanctions as determined and imposed by the superintendent or the Board.

The district shall make this policy available to all district employees and shall be made a part of district orientation materials provided and copied to new district employees at the time of hire.

The superintendent will establish a process of reporting incidents of workplace harassment and the prompt investigation.

## Workplace Harassment Reporting and Procedure

Any district employee who believes they have been a victim of workplace harassment may file an oral or written report consistent with this ~~administrative~~ ~~administration~~ regulation, may file a report through the Bureau of Labor and Industries' (BOLI) complaint resolution process, or under any other available law.

Additional information regarding the filing of a report may be obtained through the principal, compliance officer or superintendent.

A complaint alleging an unlawful employment practice as described in ORS 659A.030, 659A.082, ~~or~~ 659A.112 or ~~ORS 659A.370~~ ~~section 4 of Senate Bill 479 (2019)~~ must be filed no later than five years after the occurrence of the alleged unlawful employment practice.

All documentation related to workplace harassment complaints may become part of the personnel file of the employee who is the alleged harasser, as appropriate. Additionally, a copy of all workplace harassment reports, complaints, and documentation will be maintained by the district as a separate confidential file and stored in the district office.

### Investigation Procedure

The principals are responsible for investigating reports concerning workplace harassment. The investigator(s) shall be a neutral party having had no involvement in the report presented. If the alleged workplace harassment involves principals, the employee may report to the superintendent. All reports of alleged workplace harassment behavior shall be investigated.

The investigator shall:

1. Document the alleged, reported incident of workplace harassment;
2. Provide information about legal resources and counseling and support services, which may include district-provided assistance services available to the district employee;
3. Provide a copy of the district's Board policy GBEA - Workplace Harassment and this administrative regulation to the district employee; and
4. Complete the following steps:

Step 1 Promptly initiate an investigation. The investigator will arrange such meetings as may be necessary to discuss the issue with all concerned parties within ~~{five}~~ **10** working days after receipt of the report. The parties will have an opportunity to submit evidence and a list of witnesses. All findings of the investigation, including the response of the alleged harasser, shall be reduced to writing. The investigator shall notify the complainant in writing that the

investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

A copy of the report, complaint, or other documentation about the incident, and the date and details of notification to the complainant of the results of the investigation, together with any other documentation related to the workplace harassment incident, including disciplinary action taken or recommended, shall be forwarded to the superintendent.

Step 2 If a complainant is not satisfied with the decision at step 1, the complainant may submit a written appeal to the superintendent or designee. Such appeal must be filed within 10 working days after receipt of the step 1 decision. The superintendent or designee shall review the investigators report and findings. The superintendent or designee will arrange such meetings with the complainant and other affected parties as deemed necessary by the superintendent or designee to discuss the appeal. The superintendent or designee shall provide a written decision to the complainant within 10 working days after receipt of the appeal.

Step 3 If a complainant is not satisfied with the decision at Step 2, the complainant may submit a written appeal to the Board. Such appeal must be filed within 10 working days after receipt of the Step 2 decision. The Board will review the findings and conclusion of the superintendent or designee in a public meeting to determine what action is appropriate. Appropriate action may include, but is not limited to, holding a hearing, requesting additional information, and adopting the superintendent's or designee's decision as the district's final decision.

If the Board conducts a hearing, the complainant shall be given an opportunity to present the appeal at a Board meeting. The Board may hold the hearing in executive session if the subject matter qualifies under Oregon law. The parties involved may be asked to attend such hearing for the purposes of making further explanations and clarifying the issues. The Board shall decide, ~~within 20 days,~~ in open session what action, if any, is warranted. The Board shall provide a written decision to the complainant within ~~10-30 working days following completion of the hearing~~ of receipt of the appeal.

If the Board chooses not to hear the appeal, the superintendent's decision in Step 2 is final.

Reports involving the superintendent should be referred to the Board chair on behalf of the Board. The Board chair will cause the information<sup>1</sup> required to be issued to the complainant as described in this administrative regulation. The Board chair shall present the complaint to the Board at a Board meeting. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. The Board may hold the hearing in executive session if the subject matter qualifies under Oregon law. The Board shall decide, within 30 days, in open session what action if any is warranted. The Board chair shall notify the complainant in writing within 10 days that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

---

<sup>1</sup> Provide information about legal resources and counseling and support services, which may include district-provided assistance services available to the district employee, and a copy the district's Board policy GBEA - Workplace Harassment and this administrative regulation to the district employee.

## **Follow-up Procedures**

The principal will follow up with the district employee of the alleged harassment once every three months for the calendar year following the date on which the principal received a report of harassment, to determine whether the alleged harassment has stopped or if the employee has experienced retaliation. The principal will document the record of this follow-up. The principal will continue follow-up in this manner until and unless the employee directs the principal in writing to stop.

## **Other Reporting Options and Filing Information**

Nothing in this policy prevents an employee from filing a formal grievance in accordance with a collective bargaining agreement (CBA) or a formal complaint with BOLI or the Equal Employment Opportunity Commission (EEOC); or if applicable, the U.S. Department of Labor (USDOL) Civil Rights Center. Review the CBA for any provision that requires an employee to choose between the complaint procedure outlined in the CBA and filing a BOLI or EEOC complaint.

Nothing in Board policy GBEA - Workplace Harassment or this administrative regulation prevents any person from seeking remedy under any other available law, whether civil or criminal.

An employee or claimant must provide advance notice of claim against the employer as required by ORS 30.275.

## **Filing a report with the U.S. Department of Labor (USDOL) Civil Rights Center.**

An employee whose agency receives federal financial assistance from the USDOL under the Workforce Innovation and Opportunity Act, Mine Safety and Health Administration, Occupational Safety and Health Administration, or Veterans' Employment and Training Service, may file a complaint with the state of Oregon Equal Opportunity Officer or directly through the USDOL Civil Rights Center. The complaint must be written, signed and filed within 180 days of when the alleged discrimination or harassment occurred.

## HBV/Bloodborne Pathogens

*(See policy EBBAA)*

The Board recognizes that staff/students incur some risk of infection and illness each time they are exposed to blood or other potentially infectious materials. While the risk to staff/students of exposure to body fluids due to casual contact with individuals in the school environment is very low, the Board regards any such risk as serious.

Consequently, the Board directs adherence to universal procedures. Universal procedures require that staff and students approach infection control as if all direct contact with human blood and body fluids is known to be infectious for HIV, HBV and/or other blood borne pathogens<sup>1</sup>.

In order to reduce the risk to staff/students by minimizing or eliminating staff exposure incidents to bloodborne pathogens, the Board directs the superintendent to develop and implement an Exposure Control Plan. The plan shall be reviewed and updated at least annually and when necessary to reflect new or modified tasks and procedures which affect occupational exposure and to reflect new or revised employee positions with occupational exposure. The review and update shall also:

1. Reflect changes in technology that eliminate or reduce exposure to bloodborne pathogens;
2. Annually, document consideration and implementation of appropriate commercially available and effective safer medical devices designed to eliminate or minimize occupational exposure.

The plan shall include training followed by an offer of immunization with Hepatitis B vaccine and vaccination series for all staff who are required to provide first aid to students and/or for all staff who have occupational exposure as determined by the district. Training shall be provided at the time of initial assignment to tasks where occupational exposure may take place and at least annually thereafter. Personal protective equipment appropriate to job tasks shall be provided by the district. A postexposure evaluation and follow-up shall be made available to any employee sustaining an occupational exposure.

The district recognizes that, as required by OAR 437-002-1030, employees who use medical sharps in the performance of their duties (e.g., administering injectable medicines to students, such as epinephrine and glucagon) must, at least annually, be provided with the opportunity to identify, evaluate and select engineering and work practice controls (e.g., sharps disposal containers, self-sheathing needles, safer medical devices, such as sharps with engineered sharps injury protections and needleless systems). The district will implement such work practice controls, as appropriate.

---

<sup>1</sup> Bloodborne pathogens - pathogenic microorganisms that are present in human blood and can cause disease in humans. These include, but are not limited to, Hepatitis B virus (HBV) and Human Immunodeficiency Virus (HIV).

Documentation, including a sharps injury log, will be maintained as required by OAR 437-002-1035 and 437-002-1030(3).

## Staff/Students - Rumor Control - HIV, AIDS and HBV\*\*

The district shall use a two-pronged approach for rumor control related to HIV, AIDS and HBV<sup>1</sup> before a rumor begins and during an “active” rumor.

In preparation for rumor control, the district shall annually notify staff, students, parents, media and the general public, through such means as handbooks, of confidentiality and individual rights requirements placed upon school districts. The requirements are outlined in Oregon Revised Statutes and Oregon Administrative Rules. Individual rights include the right a staff member or a student may have to continue working or attending school.

The district shall emphasize that if a staff member or the parent (student) chooses not to divulge an HIV, AIDS or HBV condition, the district will have no information except to reiterate the requirements in the law regarding confidentiality and individual rights. This will be stated routinely and in cases of an “active” rumor.

If the staff member or parent (student) wishes to divulge information and continues working or attending school, the district shall meet with the infected party or representative to develop a written procedure. This procedure will minimally outline what information will be given, who will give the information, when and where the information will be given, how the information will be given and who will receive the information. The procedures will be signed for approval by the infected party or representative.

The district shall appoint a district spokesperson who shall be responsible for responding to staff, students, parents, media and the general public.

## News/Media - HIV, AIDS or HBV\*\*

The superintendent may develop news releases or conduct news conferences regarding rumored or identified HIV, AIDS or HBV<sup>1</sup> cases.

The release/news conference shall stress:

1. Districts are not informed of a person infected with HIV, AIDS or HBV unless the infected person or his/her parent or guardian releases the information;
2. Districts, if informed, may not release the information unless the infected person or parent or guardian gives permission for such release;
3. Districts may not prevent a staff member from working if he/she is able to perform his/her job responsibilities. Students have a right to continue to attend school.

## Drug and Alcohol Testing and Record Query - Transportation Personnel

The district is committed to the establishment of a drug use and alcohol misuse prevention program that meets all applicable requirements of the Omnibus Transportation Employee Testing Act of 1991 (OTETA). The district or its transportation provider shall have an in-house drug and alcohol testing program or be a member of a consortium that provides testing that meets the federal regulations, and shall annually certify this information to the Oregon Department of Education (ODE). The district or its transportation provider shall comply with the reporting and pre-employment and annual query requirements of the Federal Motor Carrier Safety Administration (FMCSA).

Accordingly, all employees subject to commercial driver's license (CDL) requirements shall be prohibited from:

1. The use of drugs, unless a written prescription from a licensed doctor or osteopath is provided, including a statement advising that the substance does not adversely affect the driver's ability to safely operate a commercial motor vehicle;
2. The use of alcohol including:
  - a. While on duty;
  - b. Eight hours before driving, in accordance with Oregon Administrative Rules;
  - c. Eight hours following an accident;
  - d. Consumption resulting in prohibited levels of alcohol in the system.

"Drugs" as used in this policy refer to controlled substances covered by the OTETA, including marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP).

All covered individuals offered employment with the district and district employees transferring to positions subject to the OTETA shall be required to submit to pre-employment drug testing and a pre-employment query with FMCSA. Additionally, covered employees will be subject to reasonable suspicion, random and post-accident alcohol and drug testing. Return-to-duty and follow-up testing may also be required.

Pre-employment drug testing costs will be paid for by the district. All drug and alcohol testing of district employees, including reasonable suspicion, random, post-accident, return-to-duty and follow-up testing costs, as applicable, will be paid for by the district. A fee associated with a pre-employment query requested by the district from FMCSA will be paid by the district. The district will comply with collective bargaining agreement provisions.

All offers of employment or transfer to covered positions with the district will be made contingent upon testing results and information obtained from a query with FMCSA. An individual who tests positive for

drugs will not be hired or transferred.<sup>1</sup> The offer of employment or transfer will be immediately withdrawn.<sup>2</sup>

An offer of employment or transfer will also be immediately withdrawn from any individual who refuses drug testing and/or refuses to give consent for a query with FMCSA.

Covered employees who, under the district's reasonable suspicion, random, post-accident, return-to-duty or follow-up testing program, test positive for drugs or test with a breath alcohol content level of 0.02 or higher, will be subject to immediate disciplinary action up to and including dismissal in accordance with Board policy. Employees who refuse to comply with testing requirements will also be regarded as testing positive for drugs or testing with a breath alcohol content level of 0.02 or higher. Notification of available resources for evaluation and treatment will be made as required by law. Additionally, employees may be subject to CDL prohibitions and penalties under the OTETA and applicable ~~FMCSA~~ ~~Federal Motor Carrier Safety Administration (FMCSA)~~ regulations. Covered employees who refuse consent for a query with FMCSA when required will be removed from safety-sensitive functions.

- b. Ensure that employees sign statements certifying that they have received the materials;
- c. Ensure that administrators or their designee, designated to determine reasonable suspicion, receive at least 60 minutes of drug abuse training and an additional 60 minutes of alcohol misuse training. Training will include the physical, behavioral, speech and performance indicators of probable drug use and alcohol misuse;
- d. Ensure district compliance with applicable provisions of the OTETA's requirements regarding the district's management information system, retention and confidentiality of records;

- (5) Documentation of training given to employees.
- k. Ensure the establishment of clearly defined communication procedures to include the method (e.g., mail, facsimile) and frequency (e.g., monthly, daily, weekly) as well as the authorized individuals to impart and receive information to meet the documentation and confidentiality requirements of the OTETA;
- l. Ensure employee organizations receive written notice of the availability of all pertinent drug use and alcohol misuse prevention program information.

2. Pre-employment and Annual Queries from, and Required Reporting to FMCSA

The district is required to conduct a pre-employment query with FMCSA on drivers who are subject to controlled substance and alcohol testing regulation, and is required to report information obtained through its controlled substance and alcohol testing program to FMCSA. All offers of employment for positions identified by the district, as required by the OTETA, will be contingent upon the results of a pre-employment query.

  - (4) A negative return-to-duty test; and
  - (5) An employer's report of completion of follow-up testing.

---

<sup>2</sup> Written consent from the driver is required. This may be a limited query when allowed. If the limited query indicates that the FMCSA contains information on the driver, the district will conduct a full query within 24 hours and must not allow driver to perform safety-sensitive functions.

<sup>3</sup> The district will complete such reporting to FMCSA by close of the third business day following receipt of the information.

The report will include, as applicable:

If the district's program coordinator is the subject of the testing, the district will ensure compliance with applicable consent, testing, and reporting requirements pursuant to law.

### 3. Pre-employment Testing

The district shall conduct pre-employment testing as follows:

- a. All offers of employment for positions as identified by Board policy and as required by the OTETA will be contingent upon drug test results;
- b. Individuals offered employment with the district and employees transferring to positions subject to the OTETA contingent on drug testing, must provide written consent for the release of any prior employer positive drug and failed alcohol testing results, refusals to be tested, other violations of testing regulations and, with respect to any employee who violated drug and alcohol regulations, documentation of the employee's successful completion of return-to-duty requirements (including SAP evaluations and follow-up tests) within the preceding two years;
- c. The district shall obtain and review such drug and alcohol information from previous employers of the past two years before the driver is used for the first time. The district will provide the written permission of the driver, for release of information, to the previous employers;
- d. The district will maintain a written, confidential record of information obtained from another employer or the good faith efforts to obtain such information, and will maintain the same for three years from the date the driver's service began.
- e. <sup>5</sup>Requests received by the district for release of such information to another employer must include written consent from the subject driver. Records will be released immediately in any written form (e.g., fax, email, letter) that ensures confidentiality. The district will maintain a written record and summary of information released, the date, and to whom the information was released;
- f. The district must ask the driver, and will not use such driver, if they have a positive drug test or a failed alcohol test while employed with a previous employer or who refused to test while under employment with a previous employer in the past two years unless the driver is in compliance with the SAP's treatment program and the OTETA's return-to-duty test requirements;
- g. Prior to being directed by the district to a collection site for drug testing, the applicant will be notified that the urine sample collected shall be tested for the presence of drugs;
- h. Failure to report to the collection site for testing within the time frame specified by the district shall constitute a refusal to report for testing and result in immediate withdrawal of the employment or transfer offer;
- i. Pre-employment drug testing will be paid for by the district;
- j. Tests must indicate negative drug test results. Individuals who fail to meet such drug requirements will not be hired or transferred voluntarily or involuntarily to covered positions;
- k. Such testing will also be required of covered employees each time an employee returns to work after a layoff period if the employee was removed from the random testing pool. As long as the employee remains in the random testing pool, additional testing or subsequent pre-employment drug and alcohol testing will not be necessary following a layoff;
- l. The district will notify individuals offered employment with the district contingent on drug testing of the results of such testing upon request within 60 days of being notified of the disposition of the employment application;
- m. Refusal to submit to drug and alcohol testing and/or to provide signed permission for the release of past testing information as required by the district shall result in immediate termination from employment or transfer consideration;

---

<sup>5</sup> Pertains to requests received by the district from other employers.

- n. The individual may request a screening of the split specimen at their own expense. All such requests must be received in writing by the district no later than 72 hours following notification to the applicant of the positive test results.

#### 4. Post-accident Testing

The district shall conduct post-accident testing as follows:

- a. It is the responsibility of the employee to report for post-accident drug and alcohol testing as soon as practicable following a motor vehicle accident which occurs while the employee is performing district safety-sensitive functions in which there is a fatality or the employee receives a citation for a moving traffic violation in connection with an injury or tow-away accident:
  - (1) The employee will report to the designated collection site for post-accident drug and alcohol testing as soon as practicable following the occurrence of the accident;
  - (2) If alcohol testing has not been administered within two hours, the district shall prepare and maintain on file a record stating the reasons the alcohol test was not promptly administered;
  - (3) If alcohol testing is not administered within eight hours, the district shall cease attempts to administer an alcohol test and shall state and maintain on file a record specifying why the test was not administered;
  - (4) If drug testing has not been administered within 32 hours following the accident, the district will cease attempts to administer such tests and will document why the test was not administered;
  - (5) The employee will contact the ~~district drug use and alcohol misuse prevention program coordinator~~ ~~district official~~ transportation supervisor or designee as soon as practicable following the accident giving as much detailed information about the accident as possible (e.g., fatalities, injuries, tow-aways, traffic citation issued, etc.).
- b. The district will provide employees with necessary post-accident testing information, procedures and instructions as a part of its employee training program. Additionally, written instructions to follow in the event of an accident will be provided in district vehicles as appropriate. Instructions will include locations of drug specimen collection and alcohol testing sites and telephone number of the district drug use and alcohol misuse prevention program coordinator or other district officials to contact;
- c. The employee shall remain readily available for testing or may be deemed by the district to have refused to submit to testing. Such refusal is treated as if the district received an alcohol test result of 0.04 or greater or received a positive drug test. Nothing in this requirement shall be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit an employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care;
- d. Results of a breath or blood test for the use of alcohol or a urine test for the use of drugs conducted by on-site federal, state and/or local law enforcement officials having independent authority for the test shall be considered to meet necessary requirements provided results of the test are obtained by the district and the tests conform to all applicable federal, state and/or local requirements;
- e. An employee who is involved in an accident involving a fatality, injury and/or tow-away as described by OTETA is prohibited from using alcohol for eight hours after the accident or until the employee undergoes a post-accident alcohol test, whichever occurs first.

## 5. Random Testing

The district shall conduct random drug and alcohol testing annually as follows:

- a. Not less than 25 percent of the average number of driver positions shall be tested for drugs and not less than 10 percent shall be tested for alcohol in accordance with current minimum random testing requirements of the OTETA. Any unfilled, covered positions will be included as part of the total number of positions counted by the district for testing rate purposes.

The district will meet minimum testing rates.

- b. The testing rate may be adjusted by FMCSA based on industrywide data;
- c. The testing process shall, in fact, be random. Unless advised otherwise by their consortium, all employees will remain in the pool of drivers for each subsequent period, including vacations, holiday periods and summer recesses, whether or not they have been chosen for testing in the past;
- d. The selection of employees for random testing shall be made by a scientifically valid method. The process selected by the district will ensure that all employees shall have an equal chance of being tested each time selections are made. The district will use a computerized system<sup>6</sup> whereby a random number generating program will be loaded into a computer along with the employees' social security number, payroll identification number or other comparable identification number for the drivers.
- e. All such testing shall be unannounced and dates selected spread reasonably throughout the calendar year to avoid predictability and the perception that testing is "done for the year";
- f. Following notification of testing, selected employees shall proceed to the district-selected collection site immediately or as soon as practicable;
- g. Each employee selected for testing shall be tested during the selection period;
- h. Employees shall only be tested for alcohol just before the driver is scheduled to perform his/her safety-sensitive functionsfunction, during or just after performing such functionsfunction;
- i. Employees off work due to leave of absence, vacation and layoff will be informed that they remain subject to random testing. Employees drawn for such testing will be notified and tested as soon as practicable upon return to duty but no later than the next selection cycle (e.g., monthly, quarterly, etc.).

## 6. Reasonable Suspicion Testing

The district shall conduct reasonable suspicion drug and alcohol testing as follows:

- a. The district will test covered employees when there is reasonable suspicion to believe that the employee has engaged in drug use or alcohol misuse;
- b. Reasonable suspicion will be based on specific contemporaneous, articulable observations made by a trained supervisor as designated by the district, concerning appearance, behavior, speech or body odors indicative of employee use of drugs or the misuse of alcohol. Observations of drug use may include indications of chronic and withdrawal effects of drugs and noticeable degradation of job performance that may be associated with the use of drugs;
- c. Hearsay or secondhand information is not sufficient to require an employee to submit to testing;
- d. Alcohol testing may be authorized only if observations resulting in reasonable suspicion are made during, just preceding or just after the period of the workday that the employee is required to be in compliance with this policy, administrative regulations and applicable the OTETA provisions;

---

<sup>6</sup>The computerized system, when it can be utilized by the district, is the preferred selection method, under FMCSA guidance.

- e. A written record shall be made of the observations leading to a reasonable suspicion drug test and signed by the administrator or designee authorized to make such observations, within 24 hours of the observed behavior or before the results of the drug test are released, whichever is earlier;
- f. The district will ensure that the employee under reasonable suspicion is transported to the designated collection or testing site.

7. Referrals, Evaluation and Treatment

The district shall provide information related to referrals, evaluation and treatment as follows:

- a. The district shall advise covered employees, who violate the drug and alcohol prohibitions, of referral services available for evaluating and resolving problems associated with the use of drugs and the misuse of alcohol. Such information will include the names, addresses and telephone numbers of SAPs and counseling and treatment programs;
- b. An employee who engages in such prohibited conduct shall be evaluated by a SAP;
- c. The SAP will determine what assistance if any the employee needs in resolving problems associated with drug use and alcohol misuse;
- d. This requirement applies only to current employees and not to job applicants who refuse testing or who test positive for drugs;
- e. This requirement shall not be interpreted to require the district to provide or pay for any rehabilitation costs or to hold a job open for an employee with or without salary;
- f. SAPs, “SAP”, as referred to in these administrative regulations, means:
  - (1) Licensed physicians with knowledge of and clinical experience in the diagnosis and treatment of alcohol-related disorders;
  - (2) Licensed or certified psychologists, social workers or employee assistance professionals with like knowledge; and
  - (3) Alcohol and drug abuse counselors certified by the Association for Addiction Professionals (NAADAC). This does not include state-certified counselors.

8. Return-to-Duty Testing

Employees, if they continue employment and before they return to duty, shall comply with the following:

- a. When an employee has previously tested greater than or equal to 0.04 for alcohol, the employee must retest (return-to-duty test) with an alcohol concentration of less than 0.02;
- b. When an employee has previously tested positive for drug use, the employee must retest (return-to-duty test) with a verified negative test result.

9. Follow-up Testing

Employees, if they continue employment, shall comply with the following:

- a. Follow-up testing will be conducted whenever a SAP determines that an employee is in need of resolving problems associated with drug use and/or alcohol misuse;
- b. Follow-up alcohol testing will be conducted only when the employee is performing safety-sensitive functions, just before or just after the driver has performed safety-sensitive functions;
- c. Follow-up drug and alcohol testing will be unannounced;<sup>7</sup>

---

<sup>7</sup> A follow-up test shall not also serve as a random test, and vice versa.

- d. The number and frequency of such tests shall be determined by the SAP. Minimally, there shall be:
  - (1) At least 6 unannounced tests in the first 12 months following the driver's return to duty;
  - (2) Testing shall not exceed 60 months from the date of the employee's return to duty. The SAP, however, may terminate the follow-up testing at any time after the first six tests if the SAP determines the testing is no longer needed.

#### 10. Drug and Alcohol Testing Procedures

The district, in cooperation with contracted collection and testing facilities, shall maintain drug and alcohol testing procedures as follows:

##### a. Drugs

- (1) The applicant or employee reports to the district-designated collection site and provides positive identification (e.g., photo ID);
- (2) A urine sample for drug testing is provided. A "split specimen" (two urine specimen bottles) is prepared from the urine sample;
- (3) Following completion of a chain-of-custody form, both specimen bottles are forwarded to the OHA certified laboratory for analysis. The split specimen is stored at the laboratory for later testing as may be necessary. Initial testing is performed only on one specimen bottle;
- (4) Testing results are reported to the district-selected MRO by mail or electronic transmission. Results may not be given over the phone;
- (5) The MRO will verify both negative and positive testing results;
- (6) The MRO will report the verified negative testing results to the district;
- (7) The MRO will report verified positive testing results to the applicant or employee, discuss the type of illegal substance found and determine whether there is any valid medical reason for the positive testing results;
- (8) A verified valid medical reason for a positive test result will be reported as a negative test result to the district;
- (9) If no legitimate medical reason exists for positive drug testing, the MRO will report a confirmed positive test result and identity of the substance(s) to the district;
- (10) The employee or applicant may request within 72 hours of a positive test notice that the split specimen (second bottle) be screened. Such screening costs will be paid for by the employee;
- (11) Unlike the original specimen analyzed for specific levels of controlled substances, the split specimen is analyzed only for the presence of drugs;
- (12) The MRO will report results of the second screening to the employee and the district;
- (13) The MRO will meet all the OTETA requirements including review of chain-of-custody control form, administrative processing of negative test results, verification of positive testing results, report to the FMCSA, and maintenance of confidentiality requirements as may be applicable;
- (14) Detailed drug testing procedures may be obtained by contacting the district's drug use and alcohol misuse prevention coordinator or designee.

##### b. Alcohol

- (1) The employee reports to the district-designated testing site and provides positive identification;
- (2) Under the alcohol testing rule, an alcohol test result will be considered failing even if over-the-counter or legally prescribed medication is involved;
- (3) All alcohol screening tests will be conducted by a qualified breath alcohol technician using evidential breath testing devices;

- (4) Testing may be conducted at an OHA certified laboratory or other location including mobile facilities equipped for such testing as may meet the requirements of the OTETA;
- (5) District supervisors should generally not be used as a breath alcohol or screening test technician for covered employees. Under certain circumstances, a properly trained district supervisor may conduct such testing in the absence of another technician;
- (6) The employee submits to breath or saliva testing;
- (7) If the result of the testing indicates an alcohol concentration rate of 0.02 or greater, a confirmation breath test is administered after at least 15 minutes, but no longer than 30 minutes, after the initial testing. All confirmation tests will be conducted using evidential breath testing devices;
- (8) The technician will report any invalid tests, confirmed failing and passing results to the district;
- (9) Employee refusal to sign forms as required (i.e., Step 2 on the Alcohol Testing Form) shall be considered as refusal to be tested;
- (10) The breath alcohol or screening test technician will meet all OTETA requirements including such testing procedures, Alcohol Testing Form and confidentiality requirements as may be required;
- (11) Detailed alcohol testing procedures may be obtained by contacting the district's drug use and alcohol misuse prevention program coordinator or designee.

#### 11. Positive Test Result

When the MRO determines a positive test result is valid, the MRO will report the finding to the Oregon Department of Transportation (ODOT) and the Oregon Department of Education. The person who is the subject of the test results will be notified by ODOT that the person has a right to a hearing to determine whether the test results reported will be placed in the employee's employment driving record.

All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures.

<sup>1</sup> "Third party" means a person who is not a student or a school or district staff member and who is: 1) on or immediately adjacent to school grounds or district property; 2) At a school-sponsored activity or program; or 3) Off school grounds or district property if a student or a school or district staff member acts toward the person in a manner that creates a hostile environment for the person while on school or district property, or at a school- or district-sponsored activity.

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's action, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

### **FEDERAL DEFINITION AND PROCEDURES**

#### **Federal Definition**

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity<sup>4</sup>;
3. “Sexual assault”: an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic Violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or
6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

### **Federal Procedures**

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

### **Reporting**

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. The report can be made at any time.

The superintendent is designated as the Title IX Coordinator and can be contacted at (503)728-0587 x2002. The Title IX Coordinator will coordinate the district’s efforts to comply with its responsibilities related to this AR. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.

---

<sup>4</sup> “Education program or activity” includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs.” (Title 34 C.F.R. § 106.44(a))

## Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.<sup>5</sup> The district shall treat complainants and respondents equitably by providing supportive measures<sup>6</sup> to the complainant and by following a grievance procedure<sup>7</sup> prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.<sup>8</sup>

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.<sup>9</sup> The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

## Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and

---

<sup>5</sup> (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

<sup>6</sup> (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.<sup>6</sup> The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

<sup>7</sup> This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

<sup>8</sup> The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

<sup>9</sup> The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

### **No Retaliation**

Neither the district or any person may retaliate<sup>10</sup> against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

### **Publication**

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

## Federal Law (Title IX) Sexual Harassment Complaint Procedure

### Additional Definitions

“Actual knowledge” means notice of sexual harassment or allegations of sexual harassment to the district’s Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary or secondary school.<sup>1</sup>

“Complainant” means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

“Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent<sup>2</sup> and requesting that the district investigate the allegation of sexual harassment.<sup>3</sup>

“Supportive measures” means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment.<sup>4</sup> The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures.

### Formal Complaint Procedures

Upon receipt of a formal complaint, the district will provide the parties<sup>5</sup> written notice of the following:

1. Notice of the district’s grievance process, including any informal resolution process.

---

<sup>1</sup> This standard is not met when the only official with knowledge is the respondent.

<sup>2</sup> “Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

<sup>3</sup> A complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed.

<sup>4</sup> Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

<sup>5</sup> Parties include the complainant and the respondent, if known.

2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details<sup>6</sup> known at the time and with sufficient time to prepare a response before any initial interview.
3. That the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility be made at the conclusion of the grievance process.
4. That the parties may have an advisor of their choice, who may be, but is not required to be, an attorney.
5. The parties may inspect and review evidence.
6. A reference to any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

The Title IX Coordinator will contact the complainant and the respondent to discuss supportive measures. If necessary, the Title IX Coordinator will arrange for an individualized safety and risk analysis. If necessary, a student or non-student employee may be removed or placed on leave.

### **Investigation**

The Title IX Coordinator will coordinate the district's investigation. The investigation must:

1. Include objective evaluation of all relevant evidence, including inculpatory and exculpatory evidence.
2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties.<sup>7</sup>
3. Provide an equal opportunity for the parties to present witnesses, and other inculpatory and exculpatory evidence.
4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.
5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice.<sup>8</sup> The district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

---

<sup>6</sup> Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known.

<sup>7</sup> The district cannot access, consider, disclose, or otherwise use a party's records that are made of maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's capacity, and which are maintained in connection with the provision of treatment to the party, unless the district obtains the party's (or eligible student's parent's) voluntary, written consent to do so.

<sup>8</sup> In addition to an advisor, complainants and respondents may also be entitled to other accompaniment as required by law or as necessary for conducting of grievance procedures, including but not limited to translators, services for students with disabilities and parents of minor students.

6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint.<sup>9</sup> Prior to completion of the investigative report, the district must send to each party and party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report;
8. Create an investigative report that fairly summarizes relevant evidence and is sent to each party and party's advisor in electronic format or hard copy at least 10 days prior to any hearing (if required or provided) or other time of determination of responsibility. The party and advisor will be allowed to review and provide a written response.

After the district has sent the investigative report to the parties and before reaching a determination regarding responsibility, the decision maker(s) must afford each party the opportunity to submit written, relevant questions<sup>10</sup> that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Credibility determinations are not based on the person's status as a complainant, respondent or witness.

No person designated as a Title IX Coordinator, investigator, decision-maker, or any person designated by the district to facilitate an informal resolution process may have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the notice previously provided, the district must provide notice of the additional allegations to the parties whose identities are known.

At no point in the process will the district, or anyone participating on behalf of the district, require, allow, rely upon, or otherwise use questions or evidence that constitutes, or seeks disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

---

<sup>9</sup> This includes the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the investigation. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

<sup>10</sup> Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the question and evidence concern specific incidents of the complainants prior sexual behavior with respect to the respondent and are offered to prove consent.

## **Determination of Responsibility**

The respondent must be deemed to be not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

The standard to be used for formal complaints in determining whether a violation has occurred is the preponderance of the evidence<sup>11</sup> standard.

The person deciding the question of responsibility (the “decision-maker”) must be someone other than the Title IX Coordinator or the investigator(s). The decision-maker must issue a written determination which must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district’s code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including:
  - a. A determination regarding responsibility;
  - b. Any disciplinary sanctions the district imposes on the respondent; and
  - c. Whether remedies designed to restore or preserve equal access to the district’s education program or activity will be provided by the district to the complainant; and
6. The district’s procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously.

The determination regarding responsibility becomes final either on the date that the recipient provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

## **Remedies**

The Title IX Coordinator is responsible for effective implementation of any remedies.

The disciplinary sanctions<sup>12</sup> may include:

1. Discipline up to and including suspension and expulsion;

---

<sup>11</sup> A preponderance of the evidence standard is understood to mean concluding that a fact is more likely than not to be true. U.S. Department of Education, Title IX Regulations commentary, p. 1268, FN 1409.

<sup>12</sup> Districts should review any other disciplinary procedures and requirements prior to imposing any discipline, and should contact legal counsel with questions.

2. Removal from various activities, committees, extra-curricular, positions, etc.
3. Disqualification for awards and honors;
4. Discipline up to and including termination, in accordance with laws, agreements, contracts, handbooks, etc.<sup>13</sup>

Other remedies may include:

1. Educational programming .

### **Dismissal of a Formal Complaint**

The district must dismiss a formal complaint with regard to Title IX sexual harassment if the alleged conduct:

1. Would not constitute sexual harassment, even if proved;
2. Did not occur in the district’s education program or activity<sup>14</sup>; or
3. Did not occur against a person in the United States.

The district may dismiss a formal complaint with regard to Title IX sexual harassment if at any time during the investigation or hearing, if provided:

1. A complainant notifies the Title IX Coordinator in writing that the complaint would like to withdraw the formal complaint or any allegations therein;
2. The respondent is no longer enrolled or employed by the district; or
3. Specific circumstances prevent the recipient from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon dismissal of a formal complaint, the district must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

**The dismissal of a formal complaint under Title IX does not preclude the district from continuing any investigation and taking action under a different process. The district may have an obligation to continue an investigation and process under a different process.**

---

<sup>13</sup> It is important to keep supportive measures separate from disciplinary sanctions. Supportive measures must be “non-disciplinary” and “non-punitive.”

<sup>14</sup> Includes locations, events, or circumstances over which the district exercised substantial control over both the respondent ~~the respondent~~ and the context in which the sexual harassment occurs[, and also includes any building owned or controlled by a student organization that is officially recognized by a postsecondary institution]. (Title 34 C.F.R. §106.44(a))

## **Consolidation of Complaints**

The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by one or more complainant against one or more respondents, or by one party against another party, where the allegations of sexual harassment arise out of the same facts or circumstances.

## **Informal Resolution**

If the district receives a formal complaint, at any time prior to reaching a determination regarding responsibility, the district may offer an optional informal resolution process, provided that the district:

1. Provides written notice to the parties disclosing:
  - a. The allegations;
  - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
  - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
2. Obtains the parties' voluntary written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

## **Appeals**

Either party may file an appeal from a determination regarding responsibility or from a dismissal of a formal complaint, within 15 days of the decision, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
4. Additional bases may be allowed, if made available equally to both parties.

When an appeal is filed, the district must:

1. Notify the other party in writing;
2. Implement appeal procedures equally for both parties;
3. Ensure the decision-makers(s) for the appeal is not the same person as the decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

4. Ensure the decision-maker for the appeal is free from conflicts of interest and bias;
5. Give both parties a reasonable equal opportunity to submit a written statement in support of, or challenging the outcome;
6. Issue a written decision describing the result of the appeal and the rationale for the result; and
7. Provide the written decision simultaneously to both parties.

### **Timelines**

The district will complete the following portions of the grievance process within the specified timelines:

1. General grievance process (from receipt of formal complaint to determination of responsibility: 90 days;
2. Appeals (from receipt of appeal): 60 days;
3. Informal resolution process: 60 days.

Temporary delays of the grievance process, or limited extensions of time will be allowed for good cause<sup>15</sup> with written notice to the parties.

### **Records**

Records will be created and maintained in accordance with the requirements in Title 34 C.F.R. §106.45(a)(10).<sup>16</sup>

### **Training**

Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process must receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and information resolution processes. The training must also include avoiding prejudgment of the facts at issue, conflicts of interest and bias.

Decision-makers must receive training on any technology to be used at a live hearing and on issues of relevance of questions and evident, including when questions about evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant.

---

<sup>15</sup> Good cause may include considerations such as the absence of a party, a party's advisor or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. (Title 34 C.F.R. § 106.45(b)(1)(v))

<sup>16</sup> This includes creating a record for each investigation. This record must include:

- Supportive measures, or reasons why the response was not clearly unreasonable under the circumstances;
- Basis for the conclusion that the district's response was not deliberately indifferent; and
- What measures were taken to restore or preserve equal access to the district's educational program or activity. (Title 34 C.F.R. § 106.45(a)(10)(ii))

Most records (including training) must be retained for at least seven years.

Investigators must receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

Materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes, must promote impartial investigations and adjudications of formal complaints of sexual harassment and must be made publicly available on the district's website.

“Student” means any person who is in any grade from prekindergarten through grade 12 or 21 years of age or younger and receiving educational or related services from the district that is not a post-secondary institution of education, or who was previously known as a student by the person engaging in sexual conduct and who left school or graduated from high school within 90 days prior to the sexual conduct.

Any district employee, contractor, agent or volunteer who has reasonable cause to believe that a student has been subjected to sexual conduct by another district employee, contractor, agent or volunteer, or that another district employee, contractor, agent or volunteer has engaged in sexual conduct with a student shall immediately report such suspected sexual conduct to the designated licensed administrator or the alternate designated licensed administrator, in the event the designated administrator is the suspected perpetrator, for their school building. If the conduct also constitutes child abuse, the employee must make mandatory reports in accordance with Board policy GBNAB/JHFE - Suspected Abuse of a Child Reporting Requirements.

If the superintendent is the alleged perpetrator the report shall be submitted to the ~~Director of Student Support and Innovation~~ CES principal who shall report the suspected sexual conduct to the Board chair.

All such reports will be reported to the Oregon Department of Education (ODE) or Teacher Standards and Practices Commission (TSPC) as appropriate, for investigation. The agency receiving a report will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged perpetrator.

The district will notify, as allowed by state and federal law, the person who was subjected to the suspected sexual conduct about any actions taken by the district as a result of the report.

A district employee, contractor or agent will not assist another district employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable cause to believe the district employee, contractor or agent engaged in sexual conduct. Nothing in this policy prevents the district from disclosing information required by law or providing the routine transmission of administrative and personnel files pursuant to law.

The initiation of a report in good faith about suspected sexual conduct may not adversely affect any terms or conditions of employment or the work environment of the person who initiated the report or who may have been subject to sexual conduct. If a student initiates a report of suspected sexual conduct by a district employee, contractor, agent or volunteer in good faith, the student will not be disciplined by the district or any district employee, contractor, agent or volunteer.

The district will provide to employees at the time of hire, or to a contractor, agent or volunteer at the time of beginning service for the district, the following:

3. A description of the prohibitions imposed on district employees, contractors and agents when they attempt to obtain a new job, pursuant to ORS 339.378(2).

All district employees are subject to Board policy GCAB - Personal Electronic Devices and Social Media - Staff regarding appropriate electronic communications with students.

Any electronic communications with students by a contractor, agent or volunteer for the district will be appropriate and only when directed by district administration. When communicating with students electronically regarding school-related matters, contractors, agents or volunteers shall use district e-mail using mailing lists and/or other internet messaging approved by the district to a group of students rather than individual students or as directed by district administration. Texting or electronically communicating with a student through contact information gained as a contractor, agent or volunteer for the district is discouraged.

The superintendent shall develop administrative regulations to implement this policy and to comply with state law.

<sup>3</sup> “Commission licensee,” as is defined in ORS 342.120 (as amended by HB 2136 (2021)), means a person whom the TSPC has authority to investigate or discipline because the person is enrolled in an approved educator preparation program, is an applicant for a TSPC license or registration, holds a license or registration issued by TSPC, or has held a license or registration issued by the TSPC at any time during the previous five years.

<sup>4</sup> The district employee cannot be required to use any accrued leave during the imposed paid administrative leave.

<sup>5</sup> TSPC investigates reports on commission licensees.

<sup>6</sup> ODE investigates reports on persons who are not commission licensees.

action against the employee, or cannot be substantiated or is not a report of sexual conduct and the district determines either: 1) an employment policy was violated and the district will take appropriate employment action against the employee; or 2) an employment policy has not ~~been~~ violated and an employment action against the employee is not required. ~~The district will investigate all reports of suspected sexual conduct by persons who are licensed by the TSPC, unless otherwise requested by TSPC, and all reports of suspected sexual conduct by persons who are not licensed by TSPC, unless otherwise requested by ODE.~~

When the designee receives a report of suspected sexual conduct by a contractor, an agent or a volunteer, the district ~~may~~ shall prohibit the contractor, agent or volunteer from providing services to the district. ~~If the district determines there is reasonable cause to support a report of suspected sexual conduct, the district shall prohibit the contractor, agent or volunteer from providing services.~~ The district may reinstate the contractor, agent or volunteer, and such reinstatement may not occur until such time as a report of suspected sexual conduct has been investigated and a determination has been made by TSPC or ODE, ~~as appropriate,~~ that the report is unsubstantiated.

Upon request from ODE or TSPC the district will provide requested documents or materials to the extent allowed by state and federal law.

The name, address and other identifying information about the employee who made the report are confidential and are not accessible for public inspection.

An “investigation” means a detailed inquiry into the factual allegations of a report of suspected sexual conduct that is based on interviews with the person who initiated the report, the person who may have been subjected to sexual conduct, witnesses and the person who is the subject of the report, and results in a finding that the report is a substantiated report, cannot be substantiated, or is not a report of sexual conduct. If the subject of the report is a district employee represented by a contract or a collective bargaining agreement, the investigation must meet any negotiated standards of such employment contract or agreement.

Nothing prevents the district from conducting its own investigation, unless another agency requests to lead the investigation or requests the district to suspend ~~their~~ the investigation, or taking an employment action based on information available to the district before an investigation conducted by another agency is completed. The district will cooperate with agencies assigned to conduct such investigations.

A “substantiated report” means a report of sexual conduct that TSPC or ODE determines is founded.

If, following the investigation, the district decides to take an employment action, the district will inform the district employee of the employment action to be taken and provide information about the appropriate appeal process. The employee may appeal the employment action taken through the appeal process provided by the applicable collective bargaining agreement.

If the district is notified that the employee decided not to appeal the employment action or if the determination of an appeal sustained the employment action, the district shall create a record of the findings of the substantiated report and the employment action taken by the district will be placed in the records on the school employee maintained by the district. Such records created are confidential and not public records as defined in Oregon Revised Statute (ORS) 192.311, however the district may use the record as a basis for providing information required to be disclosed about a district employee under ORS 339.378(1). The district will notify the employee that information about substantiated reports may be disclosed to a potential employer.

## **Training**

The district shall provide information and training each school year to district employees on the following:

1. Prevention and identification of sexual conduct;
2. Obligations of district employees under ORS 339.388 and 419B.005 - 419B.050 and under adopted board policies to report suspected sexual conduct; and
3. Appropriate electronic communications with students.

The district shall make available each school year the training described above to contractors, agents, volunteers and to parents and legal guardians of students attending district-operated schools, and will be made available separately from the training provided to district employees.

The district shall provide to contractors, agents and volunteers each school year information on the following:

1. Prevention and identification of sexual conduct;
2. Obligations of district employees under adopted board policies to report suspected sexual conduct; and
3. Appropriate electronic communications with students.

The district shall make available each school year training that is designed to prevent sexual conduct to students attending district-operated schools.

All district employees, contractors, agents, volunteers and students are subject to this policy and the accompanying administrative regulation.

<sup>5</sup> "Volunteer" means a person acting as a volunteer for the district in a manner that requires the person to have direct, unsupervised contact with students.

The district will designate a licensed administrator and an alternate licensed administrator, in the event that the designated licensed administrator is the suspected abuser, for each school building to receive reports of suspected abuse of a child by district employees, contractors, agents, volunteers or students.

If the superintendent is the alleged perpetrator the report shall be submitted to the ~~CES principal with the greatest years of seniority with an administrative license~~ is who shall also report to the Board chair.

The district will post the names and contact information of the designees for each school building, in the respective school, designated to receive reports of suspected abuse and the procedures in GBNAB/JHFE-AR(1) - Reporting of Suspected Abuse of a Child the designee will follow upon receipt of a report, the contact information for local law enforcement and the local DHS office or its designee, and a statement that this duty to report suspected abuse is in addition to the requirements of reporting to a designated licensed administrator.

When a designee receives a report of suspected abuse, the designee will follow procedure established by the district and set forth in administrative regulation GBNAB/JHFE-AR(1) - Reporting of Suspected Abuse of a Child. All such reports of suspected abuse will be reported to a law enforcement agency or DHS, or its designee, for investigation, and the agency will complete an investigation regardless of any changes in the relationship or duties of the person who is the alleged abuser.

When there is reasonable cause to support a report, a district employee suspected of abuse shall be placed on paid administrative leave pending an investigation and the district will take necessary actions to ensure the student's safety. When there is reasonable cause to support a report, a district contractor, agent or volunteer suspected of abuse shall be removed from providing services to the district and the district will take necessary actions to ensure the student's safety.

The district will notify the person, as allowed by state and federal law, who was subjected to the suspected abuse about any actions taken by the district as a result of the report.

A substantiated report of abuse by an employee shall be documented in the employee's personnel file. A substantiated report of abuse by a student shall be documented in the student's education record.

The initiation of a report in good faith, pursuant to this policy, may not adversely affect any terms or conditions of employment or the work environment of the person initiating the report or who may have been subjected to abuse. If a student initiates a report of suspected abuse of a child by a district employee, contractor, agent, volunteer or student, in good faith, the student will not be disciplined by the district or any district employee, contractor, agent or volunteer. Intentionally making a false report of abuse of a child is a Class A violation.

The district shall provide information and training each school year to district employees on the prevention and identification of abuse, the obligations of district employees under ORS 339.388 and ORS 419B.005 - 419B.050 and as directed by Board policy to report suspected abuse of a child, and appropriate electronic communications with students. The district shall make available each school year the training described above to contractors, agents, volunteers, and parents and legal guardians of students attending district-operated schools, and will be made available separately from the training provided to district employees. The district shall provide each school year information on the prevention and identification of abuse, the obligations of district employees under Board policy to report abuse, and appropriate electronic communications with students to contractors, agents and volunteers. 3. A description of the prohibitions imposed on district employees, contractors, and agents when they attempt to obtain a new job, as provided under ORS 339.378. A district employee, contractor or agent will not assist another district employee, contractor or agent in obtaining a new job if the individual knows, or has reasonable or probable cause to believe the district employee, contractor or agent engaged in abuse, unless criteria found in ORS 339.378(2)(c) are applicable.

Nothing in this policy prevents the district from disclosing information required by law or providing the routine transmission of administrative and personnel files pursuant to law.

The district shall make available to students, district employees, contractors, agents, and volunteers a policy of appropriate electronic communications with students.

Any electronic communications with students by a contractor, agent or volunteer for the district will be appropriate and only when directed by district administration. When communicating with students electronically regarding school-related matters, contractors, agents or volunteers shall use district e-mail, using mailing lists and/or other internet messaging approved by the district to a group of students rather than individual students or as directed by district administration. If the superintendent is the alleged abuser the report shall be submitted to the ~~insert licensed administrator position title~~ **CES principal** who shall refer the report to the Board chair.

A written record of the abuse report shall be made by the employee reporting the suspected abuse of a student and will include: name and position of the person making the report; name of the student; name and position of any witness; description of the nature and extent of the abuse, including any information which could be helpful in establishing cause of abuse and identity of the abuser; description of how the report was made (i.e., phone or other method); name of the agency and individual who took the report; date and time that the report was made; and name of district administrator who received a copy of the written report.

When the designee receives a report of suspected abuse of a child by a district employee, and there is reasonable cause to support the report, the district shall place the district employee on paid administrative leave<sup>3</sup> and take necessary actions to ensure the student's safety. The employee shall remain on leave until DHS or law enforcement determines that the report is substantiated and the district takes the appropriate employment action, or cannot be substantiated or is not a report of abuse and the district determines that either 1) an employment policy was violated and the district will take appropriate employment action against the employee, or 2) an employment policy has not be violated and no action is required by the district against the employee.

When the designee receives a report of suspected abuse by a contractor, agent or volunteer, the district ~~may~~ shall prohibit the contractor, agent or volunteer from providing services to the district. ~~If the district determines there is reasonable cause to support the report of suspected abuse, the district shall prohibit the contractor agent or volunteer from providing services.~~ The district may reinstate the contractor, agent or volunteer, and such reinstatement may not occur until such time as a report of suspected abuse has been investigated<sup>4</sup> and a determination has been made by law enforcement or DHS that the report is unsubstantiated.

The written record of each reported incident of abuse of a child, action taken by the district and any findings as a result of the report shall be maintained by the district.

If, following the investigation, the district decides to take an employment action, the district will inform the district employee of the employment action to be taken and provide information about the appropriate appeal process. The employee may appeal the employment action taken through the appeal process provided by the applicable collective bargaining agreement.

If the district is notified that the employee decided not to appeal the employment action or if the determination of an appeal sustained the employment action, a record of the findings of the substantiated report and the employment action taken by the district will be placed in the records on the school employee maintained by the district. Such records created are confidential and not public records as defined in Oregon Revised Statute (ORS) 192.311, however the district may use the record as a basis for providing information required to be disclosed about a district employee under ORS 339.378(1). DHS or law enforcement officials wishing to interview a student shall present themselves at the school office and contact the school administrator, unless the school administrator is the subject of the investigation.
