# Parent Involvement Plan

---

## Parent Involvement Plan

Maryvale is committed to a quality education for all students. The Maryvale faculty and staff value and encourage parental involvement. Here are the ways Maryvale will ensure parents have access to the education programs in which their children participate .

- Annual Title I Parent Meeting: Each fall Maryvale holds its required annual meeting to inform parents about the Title I Program. Parents are informed by notices sent home with students and the telephone messaging service. Topics discussed: the 1% set-aside for parent involvement, the LEA Title I plan, the CIP plan, the MCPSS Parent Involvement Plan, Maryvale's Parent Involvement Plan, School-Parent Compacts, requesting the qualifications of teachers, notifications of teachers who are not highly qualified, the annual evaluation of the Parent Involvement Plan, how parents can be involved in the Title I process, the Parent Advisory Committee and PTO contacts. Maryvale received \$3,598 in Title I funds. All parents are invited to attend.
- Parent meetings are offered at flexible times to assist in accommodating a variety of schedules.
- Parent resources are available to be checked-out before, during, and after school through the library book room.
- Parents are invited to be part of the Parent Advisory Committee.
- Parents are invited to be a part of the Continuous Improvement Plan (CIP) Committee.
- The members of the Parent Advisory Committee and the CIP committee work together to make decisions on how to spend Maryvale's parenting money. Such decisions will include school-wide parent communication folders, Family Math and Reading Days. We will also provide educational resources and materials for parents to help increase student learning and success such as books, online resources, manipulatives and/or support services for families in need.
- During the Fall, each grade-level will host parent meetings. Teachers will present parents with the grade-level curricula, expectations, and assessments used to evaluate students. Parents will also earn about school procedures such as contacting teachers and scheduling conferences.
- Maryvale provides parents with the School-Parent-Student compact that is signed by each stakeholder. The compact is approved by the Parent Advisory Committee and the CIP Committee. Teachers and parents should review this document at all parent-teacher conferences.
- Maryvale's Continuous Improvement Plan is distributed to all parents and a copy is available for review at the front desk and on the school's website. Parents who are dissatisfied with the plan may submit their concerns in writing to the school. The school will then submit the concerns to the Division of Federal and Special Programs at Central Office.
- Parent surveys are conducted each spring. The results are discussed with the Parent Advisory Committee and the CIP Committee.
- Maryvale works to build the capacity for parental involvement by encouraging parents to become equal partners in their child's education. We do this by holding informational meetings to provide parents with tools to work with their children at home (such as Family Learning Night), increasing faculty and staff development of parenting activities through Professional Learning Teams and coordinating Title I programs with other Federal programs such as English as a Second Language, Pre-K, Migrant Services, and Homeless Services.
- Maryvale will provide information and meetings to parents in their native language when possible. Translators can be used for meetings. Written notices are sent home in languages other than English when possible.
- Maryvale makes every effort to accommodate parents with disabilities. Maryvale offers handicapped-accessible parking, handicapped-accessible bathrooms, ramps, and an elevator. Parents who are unable to attend conferences due to a disability are offered telephone conferences.
- Maryvale makes every effort to work with parents in meeting their requests related to their involvement in their child's education.
