### **Houston County Career Academy to Host Campus Visitation for Prospective Students**

HOUSTON COUNTY, GA – The Houston County Career Academy is hosting a campus visitation on Tuesday, February 8 from 4:00 – 6:30 p.m. at their facility on Corder Road in Warner Robins. As an extension of the Houston County School District, the Career Academy focuses on integrating academics and advanced career/technical education programs for students in Grades 10, 11 and 12.

“The Career Academy is a tremendous asset to our community through what it offers for our students, as well as local employers,” shares Sabrina Phelps, Principal of the Houston County Career Academy. “The goal of the Career Academy is to provide students with job skills for employment prior to leaving high school and to build a skilled workforce. Students are able to leave our programs with an industry-recognized credential. We are fortunate to partner with numerous community employers to offer programs and services that positively impact the future of our students.”

The campus visitation is open to students currently in Grades 8 – 11. Students and parents will be able to tour the facility, learn more about the programs and meet the instructors for the various career pathways. Business partners and potential employers will also be in attendance.

For additional information about the Houston County Career Academy, visit [hcca.hcbe.net](http://hcca.hcbe.net).
