For whoever does the will of God is my brother and sister and mother. “Through your almsgiving you are indeed doing the will of God and your gift placed in the St. Vincent de Paul poor box indeed brings Christ’s love and compassion to the poor. <p>The piano in the sanctuary needs tuning and some maintenance work. I have contacted Robertson Piano; LLC in Gardendale and they are coming to do this on June 21. The cost is \$100.00 for the inspection (since we are new clients to them) and between \$275.00-\$350.00 for the actual tuning and maintenance work. I have spoken to Father Weis, and it was decided that a special collection be taken the next three weeks for these services, which should cost less than \$500.00. Special envelopes have been prepared and will be on the offering table in the sanctuary. If more than the anticipated cost is collected, the choir members suggested we have the practice piano tuned as well or start a special music fund. Music is such a vital part of our worship, and we have a talented choir very dedicated to the music ministry. I appreciate the opportunity I have been given to use my talent for God and for the wonderful people at St. Patrick.</p>
