## *Highlights from Letters to Power 88*

I am a minister and just wanted to drop a quick note to say a BIG THANK YOU to everyone at Power 88! It is the only station we have listened to over the past 6 years after moving to this area. We tuned it in and never turn it off. Our family loves this

station and its great work. Over and over I heard such positive thoughts by the D.J.'s and it felt as though you were speaking to us. We praise God for power 88! Not just because of your music, but for your continued support of local churches and Christian businesses. Power 88 is truly a blessing to our community. Thank you for all you do!"
