Programming Guide and Sign up Information

Desert View Intermediate School- Before and After School Programming

Dear Parent/Guardian:

This year we are offering before and after school programming for our students. This programming offers a safe and supervised place for students to learn before the school opens and after the school day is over. With the programming, a student has access to an after school snack as well as transportation at no cost. In order to plan for staffing and learning experiences, we ask that you register for our programming as soon as possible. Spots are limited. Some students may be placed on a waiting list.

The attached packet provides you information about transportation, food service, and programming. Everyday attendance is expected; please commit to all days of the program. Take a look at your calendar to ensure the program dates work with your family's schedule.

Sign ups are happening now! Use the QR code provided below to sign up your child. **The deadline for sign ups is August 11, 2023.** A school staff member will follow up by phone to confirm enrollment once the application is received.

All students participate in enrichment activities to include the following: STEM/STEAM, arts and crafts, wellness, Dine Language and Culture.

Begins August 21, 2023: Computer Science- students learn coding and other computer science skills. Code.org curriculum and robotics sets will be used in this program.

Attendance Expectations and Procedures

Attendance is expected everyday of a program. If a student enrolls in a program and doesn't show up for programming or a student misses more than 3 days of programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

Behavior Expectations and Procedures

We aim for engaging learning environments during programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

Desert View Intermediate School - Learning Academy

Dear Parent/Guardian:

Desert View Intermediate School is taking steps to close learning gaps in regards to reading and math. Part of the plan is to provide a Reading Academy that 1) uses established district curriculum and resources as well as 2) teaching and learning tools to accelerate learning. With the programming, a student has access to a no cost after school snack as well as bus transportation.

This letter is to inform you of **your child's current level of need**. Regardless of the cause, we believe that providing ongoing support, through an extended day, can help accelerate learning and close gaps. Everyday attendance is expected with this program. Take a look at your programming information to ensure the program dates work with your family's schedule.

Your child will need the following support through our Learning Academies:

- Reinforcement of grade level **reading** curriculum and/or high-dosage reading tutoring
