**ATTENTION PARENTS OF STUDENTS WITH DISABILITIES**

The Warren County Special Education Advisory Committee (SEAC) serves as an advisory committee to our School Board regarding the education of students with disabilities, as set forth by state regulations. It is also a resource of information and support for our community. Parents of students with disabilities are encouraged to attend meetings and become involved in the committee.

SEAC plans to meet at least four times during the 2023-2024 school year. By signing and returning this form, you will be placed on a contact list that informs you when our meetings will occur and about other events that may be of interest. For more information about SEAC, please refer to the Special Services page on the Warren County Public Schools website, or call the Special Services Office at 540-635-2725.
