ADMINISTRATION IN POLICY ABSENCE

In the absence of established Board policy or Board direction, the Principal shall assume responsibility making necessary decisions. In such instances, other administrative or instructional personnel shall gain the approval of the Principal before taking any action.

In the situations which arise within the North Country Charter Academy where the Board has provided no guides for administrative action, the Principal shall have power to act but his/her decisions shall be subject to review and ratification by action of the Board at a regular meeting. It shall be the duty of the Principal to inform the Board promptly of such action and of the need for policy.
