

Dear Pirate Families,

Welcome back to school! This is an exciting time, and we are thrilled to have you and your student at Hankinson High School! This packet includes forms and information you'll need to know to get your student registered for the 2024-25 school year. Please look through it carefully and complete the enclosed forms and return them, along with other necessary documents, to the school office **on or before Open Registration Day on August 5th**. You may choose whatever method is most convenient, whether it be mail, in-person drop off, or scan and email to Keeley in the office at keeley.riskey@k12.nd.us.

Checklist:

- Please **completely** fill out and submit the google form available online at the school website (www.hankinsonschool.com). The link was also texted out to the school's contact list. **One form must be completed for each child to be registered for the 2024-2025 school year.**
- Obtain all recommended immunizations and provide an updated Certificate of Immunization to the school.
- E-Funds for Schools –The instruction sheet for E-Funds is in this packet. A school breakfast and lunch price list is also enclosed and may also be paid through E-Funds or by cash or check.
- A free and reduced meal form is included for the federal meal program. The amount of funding our district receives is dependent on our rate of free/reduced students. We ask that you fill out the form if you feel you would qualify.
- PowerSchool Parent Portal Instructions are enclosed. This is a great platform for parents to stay informed of their student's grades, attendance, and lunch balance, and we strongly encourage you to download the app if you haven't yet done so. Please contact the office for your Access ID and Password.

Sport fees remain the same as last year. You may also pay these online. All sport fees are due before the first game/meet.
