

AMENDMENT 1

22-017 VIEWSONIC SLOT-IN PC

Page 5:

Remove lines 2 & 3

~~The supplier will receive a name for each unit and will need to provide a label with that information affixed to bottom of laptop.~~

~~When large orders are from multiple schools, supplier will group like orders together and mark outside of boxes to help coordinate distribution~~

Line 4

A CSV file will be sent with each order to include **computer's** serial number, asset tag number, **MAC address** and warranty expiration date.
