

Dietrich School District No. 314

3010

STUDENTS

Open Enrollment

The School Board of Trustees recognizes that some patrons of other districts may want to enroll their children in Dietrich School District. In making a decision on a student's open enrollment application, the Board of Trustees shall consider the needs of the student requesting the transfer as well as the other students affected by the transfer.

Transportation

Parents or guardians of a student accepted under this open enrollment policy will be responsible for transporting the accepted student. If bus space is available, then students accepted under the open enrollment policy may be transported from an appropriate, established bus stop within District boundaries.

High School Athletics

It is recommended that a student who is considering submitting an open enrollment application to this District, and who anticipates participating in a sport governed by the Idaho High School Activities Association (IHSAA) should review IHSAA rules prior to submitting their open enrollment application. Certain school transfers could lead to a student being ineligible to play.

Application/Approval Process

An open enrollment application must be submitted annually.

The Superintendent shall establish a procedure for:

1. The method of determining which students are chosen when classroom space is limited;
2. Notifying parents of the action taken on the open enrollment application;
3. The factors which may cause an open enrollment application to be denied; and
4. The process for removing a student from a transfer school, including the grounds for removal, parent notification and the appeal process.
