Curriculum Meeting was held on Thursday, June 15, 2023

What is the district doing to improve academic performance as viewed in the most recent school rankings and performance reports?

Here are the programs that have been implemented:

Foundations/Wilsons (Early reading and literacy intervention)- this has been phased into Billingsport School

ESPark (K-2) – Online resource that differentiates math and reading instruction based on students individual learning needs. 54% of the students working Below Grade Level improved to At/Above Grade Level.

iReady – (3-6) – online resource that differentiates learning based on student’s needs in ELA and Math. This is Loudenslager’ s 1st full year using the program. Teachers use the results to drive classroom instruction. Mr. Brown uses the results to place aides and basic skills instructors in the classroom for 1-1 help, small group instruction or help in the classroom.

Reading – the % of students working 2 or more grade levels below decreased from 88% to 43%. The % of students on or above grade level increased from 12% to 28%.

Math- the % of students working 2 or more grade levels below decreased from 98% to 34%.

The % of students on or above grade level increased from 2% to 26%.

Linkit (7-9)- an assessment management, data analytics and intervention support solution dedicated to improving student performance – this is a test given 3 times a year – this is the 1st year of implementation.

Reading – Average Raw Score on Start Strong grades 7-9 more than doubled from 7 to 14.

The % of students not meeting grade level expectations decreased by 16%.

Math- Average Raw Score on Start Strong grades 7-9 more than doubled from 5 to 11.

The % of students not meeting grade level expectations decreased by 16%.

Attendance – grades 3-9 the % of students who were identified as being moderately to chronically absent decreased 11% from last year to this year.

More robust I&RS process- we are utilizing intervention manager/ Link It, documenting interventions and data.

Loudenslager School was awarded \$6,600 for a School Climate Change Pilot Grant – they will pursue practices and activities that reduce consumption and minimize waste through a reduce, reuse, and recycle program. In efforts to reduce our carbon footprint and its impact on climate change.

We applied for a \$500,000 grant called the Bipartisan Safer Communities Act (BCBA) Stronger Connection Grant (SCG) The district plan is to implement a teen centered program aimed at reducing gang and drug involvement among high-risk youth. The goal is to

promote regular attendance, prosocial behavior and meeting personal goals. We are awaiting the results.

Our summer programming began June 19 at Loudenslager and JR/SR High School. We have Jump Start, Summer Enrichment with steam/ fun activities, Credit Recovery and Extended School Year (ESY)

As you can see, in every area of learning we are doing much better. Next year we are going to have a parent night to explain each of these programs to our families and explain the many resources we offer.

Respectfully Submitted, Roseanne Lombardo.

Informational: For many years, the Paulsboro Public Schools has operated alternative programs in order to prevent students from dropping out of school as well as develop the skills, behaviors and attitudes required to re-enter the typical day school program at Paulsboro High School and Paulsboro Junior High School.

The Alternative Education Program (AEP) is a twilight program which is open between 3:00 PM and 7:30 PM on Monday through Friday. The AEP serves students in Grades 7 – 12 who are experiencing academic, behavioral, and/or social problems while attending the typical school program during the day. Classes are composed of only a few students so each

receives the individual attention from the teacher that is needed for them to grow academically. Students follow the same curricular framework as their counterparts who attend school during the regular school day. The program includes a counseling component designed to help students develop the social and behavior skills needed to return to and flourish in the typical day school program.

- G. A motion was made by Ms. Baylor and seconded by Mrs. Lombardo to approve Student Activities Items A – C.

- A. Recommend approval to continue the after-school program Fellowship of Christian Athletes (FCA) Student Lead organization under faculty advisement. Meetings known as huddles will typically occur bi-monthly and may include speakers from the area. Being part of FCA is valuable for our student athletes to join a club that teaches character, values and leadership skills while enhancing the quality of their high school experience that will aid in their high school resume.

Informational: FCA is open to all students, not just athletes. Advisors are non-paid, and the meetings will be after school. Paulsboro Junior High Assistant Principal / Athletics Director John Giovannitti and Paulsboro Junior High Special Education Teacher Donna Backus are the advisors for the 2023-2024 school year. This is a non-stipend position.

- B. Recommend approval for Paulsboro Junior / Senior High School Nurse Mary Porter to assist our school doctor with fall physicals. This recommendation is for up to 40 hours at \$40.00 per hour not to exceed \$1,600.00.

Informational: Ms. Porter will do health screenings and review paperwork with athletes and coaches before the physical exam.

- C. Recommend approval of the following coaches for Paulsboro High School Fall Sports Teams for the 2023-2024 school year with stipends as per agreement with the Paulsboro Education Association. This recommendation is contingent on the New Jersey Department of Education and the New Jersey State Interscholastic Athletic Association approving sports during the fall season.

**CONSTRUCTION UPDATES:**

**Safety Grant:** The District is ready to move forward on plans for Safety Vestibules for each of the buildings. Drawings were received from Garrison Architects to complete the

vestibules and install Access Control Systems for the doors and Security Cameras. Using the Camden County Educational Services Cooperative Pricing system, a quote has been received to complete the brick-and-mortar portion of the vestibules that is within the funding limit of the Safety Grant Award. We will look for additional funding sources to complete the project at a later date but are moving forward with this critical project so that we can get this into the construction material supply chain.

**Informational: ROD and Non-ROD Grants**

District Consultant Frank Domin has established contact with and conducted meetings with the official at the School Development Authority (SDA) charged with the Paulsboro projects that are jointly funded by the 2015 Bond Referendum and SDA. All parties are reviewing and familiarizing themselves with the projects since they have been dormant for approximately four years.

The first task is to assemble all of the required documents to apply for reimbursement from SDA for projects that are at the 65% completion level. When this information is submitted to and approved by SDA, reimbursement will be paid to the district.

The second task is to determine what facilities upgrades are included in the application to SDA. It appears that some of the items in the application to SDA were not part of the original scope of the bond referendum. On the other hand, some items included in the original scope of the project seem to have been “de-scoped” which removed them from funding consideration by SDA. Mr. Domin, working with representatives of SDA and School Architect Robert Garrison, has resolved these concerns. All parties now agree that the project is now just as it was presented to the public for the 2015 bond referendum.

The SDA official emphasized the importance of beginning work on those items that all parties agree are within the scope of the projects. The work needs to be completed quickly for two reasons. First, the projects are critical repairs to district facilities. Second, to protect the funding available by SDA. Mr. Domin is now working with the School Architect and Camden County Special Services School District in order to restart projects. It seems likely that within a month or two, the Board of Education will be able to award contracts for projects such as heater controls, drainage projects, etc. so that the work begun in 2015 can move forward.

**July 2023 Update**

No new information this month.

**FACILITIES A:** The Greenwich Township Representative may vote on items in this section of the agenda.

A motion was made by Ms. Baylor and seconded by Mrs. Lombardo to approve Facilities Item A.

**FACILITIES B:** The Greenwich Township Representative may not vote on items in this section of the agenda.

A motion was made by Mr. Haynes and seconded by Ms. Evans to approve Facilities Item B.

- B. Recommend approval to submit an application for Alternate Toilet Room Facilities at Billingsport Early Childhood Center for Prekindergarten and Kindergarten classrooms 2023-2024 school year pursuant to NJAC 6A:26-6.3 (h) 4.ii, iii.

Informational: Prekindergarten and kindergarten classrooms must include a toilet room. A school district may elect to use the alternate method of compliance with NJAC 6A:26-6.3(h) 4.ii and iii by providing toilet rooms adjacent to or outside the classroom in lieu of individual toilet rooms in each classroom. Billingsport Early Childhood Center was designed to include enough classrooms with toilet rooms to meet this requirement. With the addition of one section of kindergarten, there will be one room without an internal toilet room. The Executive County School Business Administrator will inspect the building prior to approving the waiver. The district has used the waiver approach for a number of years.

Roll Call Vote:

Michelle Baylor, Frank Damminger, Kyana Evans, Lawrence Haynes, Sr., Joseph Lisa, and Markee Robinson.
