Occasional Papers...Life Lessons...Writing Contests...These are all words that we associate with Mrs. Bachus. She is more than just a hardworking, dedicated Honors American Literature Teacher, she is an inspiration to every individual at Central High School. She is always willing to help, advise, and lead students to success. Her classic quotes by Emerson, her abundant knowledge of any classic American novel, and her ability to connect with all of her students make her the teacher we all have grown to love. She has inspired all of her students to go above and beyond their mere potential and follow their dreams. When the entire yearbook staff trots into her room across the hall to use her microwave and refrigerator, she always welcomes us and never fails to make us laugh with a funny story about getting older. Mrs. Bachus not only leads the senior class as their advisor, but she also leads her students to engage in activities that will better them personally. The class of 2009 is proud and honored to dedicate this yearbook to...

EXIT 101 SUMMER ROAD TRIPS

Sophomore Jordan Fowler, went to Galeana, Mexico for a mission trip with Midway Church over the summer. While on the trip, she visited a children's home and helped finish a church for the locals. Jordan says, "It was fun getting to know a new culture."

Freshman Chelsea Greene, traveled the seas this summer on a deluxe cruise. She went to St. Thomas, St. Martin, and St. John. Chelsea's favorite world class destination was the Bahamas, where she shopped 'til she dropped.

Our fun Spanish teacher, Mrs. Zabala, visited Old San Juan, Puerto Rico this summer. She went to El Parque de las palomas (The Pigeon Park) where she fed the pigeons. She loved being with family during her stay in Puerto Rico.

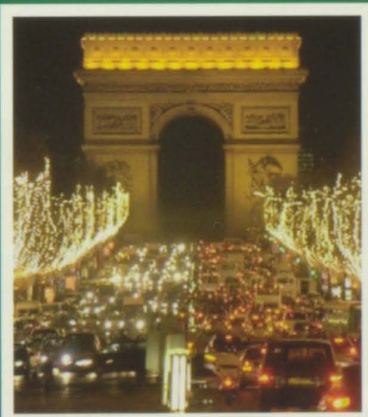

Senior Jeremy Hicks, went to the Ukraine with a team from Midway Church. He visited an orphanage camp and delivered clothing to the children. Jeremy says, "It was a great opportunity to serve others."

These Central High School Students Embarked On Their Own Road Trip This Summer...

This past summer, some Central High School French students, embarked on a journey to France. Charlie Bell, Paige Welch, Lori Payton, Sam Johnson, Jesi Scurry, Matthew Huckleba, Nia Parham, Mrs. Head, and Mrs. Daughtery all explored the wonderful sights of France. They stayed in St. Die for two weeks with different families for an exchange program. The students visited the cities of Strasburg, Nancy, and Paris. They went to museums, The Effil Tower, The Golden Palace, and several cathedrals around France. In the spring of 2009 the French Students with whom our group stayed over the summer will come visit Central High School for their own Road Trip!

Junior Amanda Ake spent two weeks in New York with the Softball Showcase. Her favorite thing about the city that never sleeps- the delicious pizza!

Freshman Kaitlyn Jackson, traveled the United States -literally- via train. She enjoyed the sights of Washington D.C, Santa Monica, and Los Angeles.

It's being late for **first** period because you had to stop at **Chick-fil-A** before school.

It's coming in on Friday, knowing **Ms. Boldt** will be wearing her **yellow** shoes.

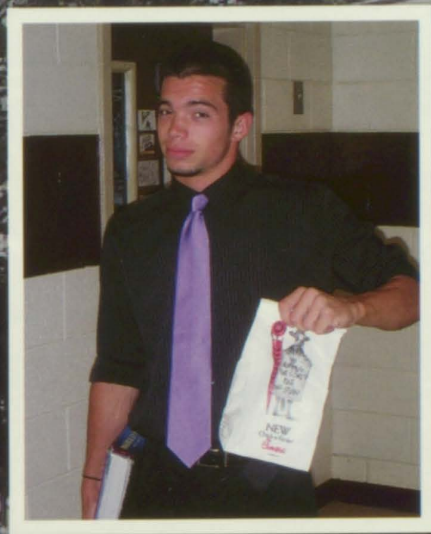

It's changing your entire **route** from last year because of **construction** for our new school.

It's hearing **his** voice on the intercom announcements, knowing **Mr. Tobin** will take 10 minutes to say the pledge.

It's turning around in the **Waverly Apartment Complex** because we can't take a left hand turn out of the **parking lot**.

This is **OUR** Journey.

ROAD

TRIP

Let the Journey Begin...

It's finally being allowed to leave on the senior bell even though you have always done it.

It's winning the Homecoming Week class competition games even though we obviously lost.

It's sitting in the senior courtyard, rain or shine, just because we can.

It's getting called to pep rallies first and outshouting the underclassmen.

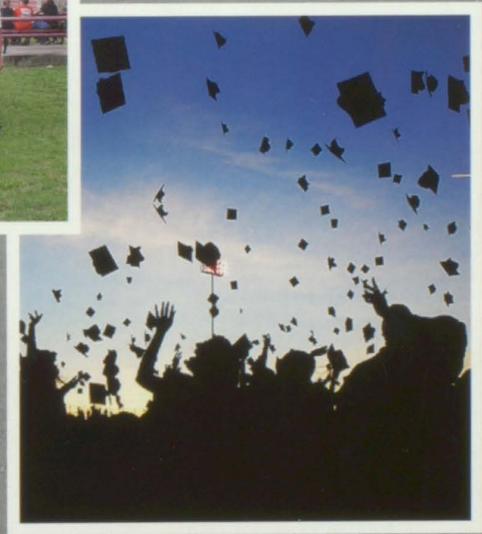

It's meeting at Chick-Fil-A for breakfast on Fridays.

It's getting out a week earlier than underclassmen.

It's walking across the field at graduation, getting our diplomas, and throwing our caps in the air.

It's senior year.

Yield to...

...the Seniors!

It's being a freshman, dreading the three years you still have to complete of high school.

It's being a sophomore, thinking things will be better but then realizing you are still at the bottom of the food chain.

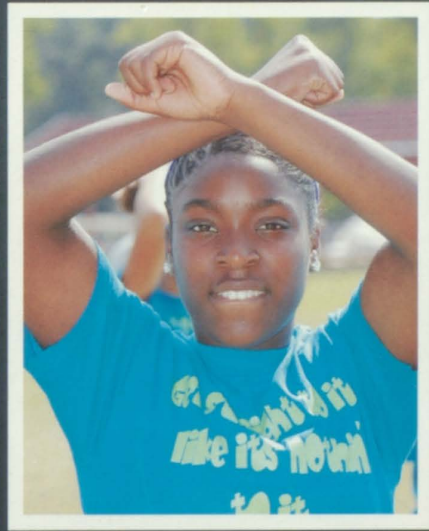

It's finally becoming an upperclassman as a junior, but then being overloaded with graduation tests.

It's chanting '10,' '11,' and '12' at the pep rallies.

It's knowing you still are not a senior, and you'll be back at Central High School next year.

Our trip awaits us.

It's getting into the routine of being back at school.

It's spending Friday nights watching our Mighty Lions back in action.

It's wishing you were as tough as the softball girls.

It's waiting for Homecoming week to arrive, and planning your outfits weeks in advance.

It's complaining because we only get two days out of school for Fall Break.

It's knowing that the last day of school is too far away to count.

Our journey keeps going.

It's OUR life.

Academics

Students explore hands-on activities...

AP Psychology students work on a M&M experiment that relates to standard deviation. "The best part of this lab is that you are learning and filling your hunger," said student Beth Stewart. After the experiment was complete the students we able to eat the M&Ms.

"Live as you were to die tomorrow. Learn as you were to live Forever."

-Mahatma Gandhi

Senior, Jesse Price, works on a titration lab in Mrs. Hamilton's Advanced Placement Chemistry class. Jesse, who is in the top five of the graduation class, always puts academics first. He plans to attend The University of Alabama at Birmingham and major in Chemistry. Jesse says, "Science has taught me so much about the world and myself."

Who ever said creating art didn't take brains? Senior, Nicole Cook, works on her artwork during Mrs. Ayers 4th period mini block. This piece takes more than just creativity it takes thought. "Academics is more than just math, literature, and science. Academics imposes creativity to expand," Nicole says.

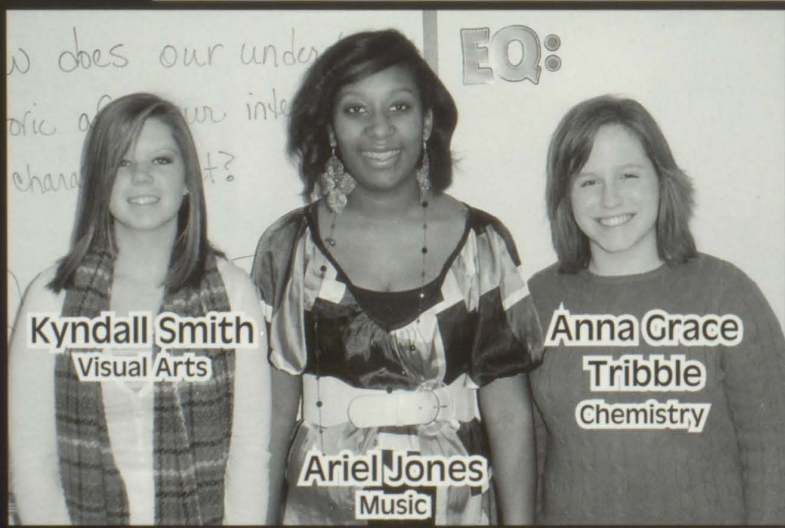

Sophomore, Jordan Fowler, stands at the podium as she presents her occasional paper during Mrs. Bachus's 6th period class. Each month, students must face their fear of public speaking as they present their papers for the class to enjoy. "Occasional papers are written for students to be proud of their work, so proud that they are able to present them to the entire class," Mrs. Bachus says.

Governors Honors Program

11th grader, Abby Whorton, attended the 2008 Summer Governors Honors Program and studied in the field of Communicative Arts. It was more than just a normal classroom experience; the teachers, students, and new ideas provided a fantastic and extraordinary experience. She lived on campus at Valdosta State University for six weeks, while participating in more than just literature. She learned life skills about living, working, and interacting with others. Abby's favorite part about G.H.P. was minoring in dance. The picture to the left features her dance team. At the end of the six week period, her dance class performed with the dance majors for the G.H.P. delegation. Abby said, "G.H.P. was truly a life-changing experience, and good luck to the 2009 G.H.P. hopefuls."

Vocational Independence Program

It's knowing that her door was always open.

It's seeing her smile as she congratulates you for a job well done.

It's that sinking feeling when you think you've disappointed her.

It's knowing she loves Central as much as you do.

It's saying goodbye and happy retirement to our leader, our friend, our champion, our principal.

GAIL STEWART

Jessi Wren Saunders

JULY 23, 1992 - MAY 11, 2008

Best Friend

by Jessi Saunders

When I fall, you pick me up
When I'm sad, you make me laugh.

My crutch, my support
My shoulder to cry on.

My everyday assurance
To lean on, to back me up.

You always stick up for me
But laugh at me too.

I love you one day,
hate you the next.

Always with me
by my side.

You get me in trouble
and I you.

Always together
never apart.

There's always a place for you
a place in my heart.

Copyright ©2008 Jessi Wren Saunders

That God loves us more than we
love you is
beyond our understanding
- Yet absolutely true

It's walking through the **halls** one last time before graduation.

It's trying on your **cap** and **gown**.

It's saying goodbye to your friends that have been in your classes since **pre-school**.

It's never forgetting the teachers that have touched your heart over the past **four** years.

It's crying as you watch the slideshow at the **senior** dinner.

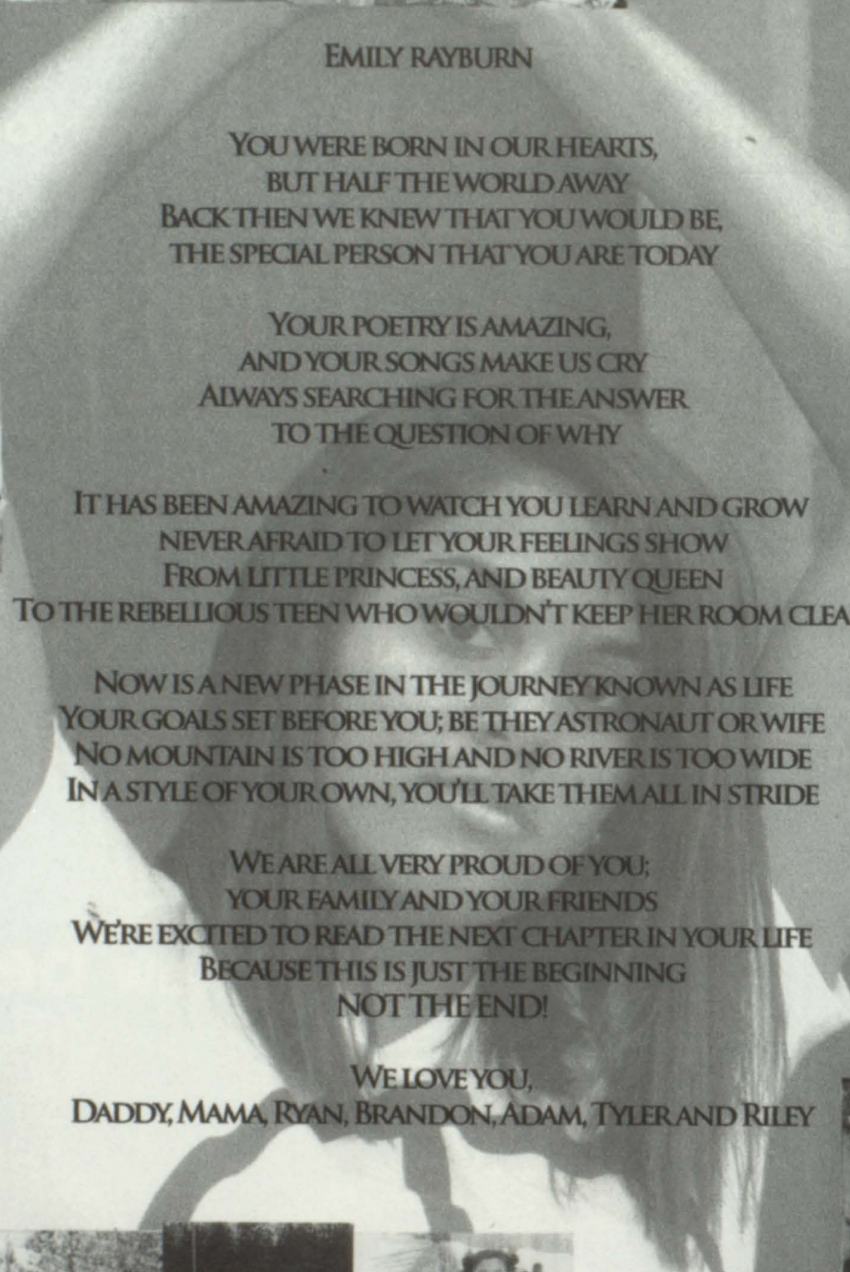

It's going to **college**, knowing you will always be a Central Lion at heart.

It's the 4 years, 720 days, 5,040 hours, and 302,400 seconds that have changed your **life** forever.

It's our new **beginning**.

You have grown from a precious, healthy baby boy, to a strong, handsome young man; you have always made us proud. These past 18 years have been a blessing, watching you grow into the wonderful gentlemen that you are. Hunting, fishing, muddin', and getting greasy are all a part of who you are. You are always so fun to be around; there is never a dull moment; your wittiness cracks us all up. We are so proud of you and your accomplishments. You have so much to offer the world. Stay close to God, family, and friends. Always be the best you can be. Never settle for anything less. Live each day to the fullest, 'cause you never know when it might be your last. Our Dearest Paigee Pooh:

A little old for that name now, however, to us it was just yesterday that you were our youngest little blond-headed, crazy dressing girl who would quickly fall asleep when you rode with your dad on the tractor. Although we miss those years, the future holds so much more for you if you keep God number one in your life.

You were only three years old when you put on that Snow White dress and would not take it off for anything, and now you are that beautiful young lady. We are so proud of you and the person you have become. You are a bright, caring, creative, self-minded young lady with a big heart.

You light up the room with your voice and God has truly given you a gift. It is important that you follow your dream and talents while using them to glorify Him and He will take you to unimaginable heights. Do not ever accept that you "Cannot" do it because, you "can do all things through Christ who strengthens" you.

As you continue on your journey to adulthood, always remember that we love you beyond measure and you will always be our Paigee Pooh!

No longer colleagues...

When to the sessions of sweet silent thought
I summon up remembrance of things past,
I sigh the lack of many a thing I sought,
And with old woes new wail my dear time's waste:
Then can I drown an eye, unus'd to flow,

* * * * *

But if the while I think on thee, dear friend,
All losses are restor'd, and sorrows end.
