PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

Step 1: List all household members who are infants, children, and students up to and including grade 12			
Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household. Who should I list here? When filling out this section, please include ALL members in your household who are: <ul style="list-style-type: none"> Children age 18 or under AND are supported with the household's income; In your care under a foster arrangement, or qualify as homeless or runaway youth; Students attending Oxford Public Schools, <i>regardless of age</i>. 			
A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, please print clearly. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.	B) Is the child a student in the district? List the name of the school, the grade and mark "Yes" or "No" under the column titled "Student" to tell us which children attend school in the district. If you marked "Yes," write the grade level of the student in the "Grade" column.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1 , go to STEP 4 . <i>Foster children who live with you may count as members of your household and should be listed on your application.</i> If you are applying for both foster and non-foster children, go to step 3. If you believe any child listed in this section meets this description, mark the "Head Start or Homeless/Runaway" box next to the child's name and <i>complete all steps of the application</i> .
Step 2: Do any household members currently participate in SNAP or TFA?			
If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals: <ul style="list-style-type: none"> The Supplemental Nutrition Assistance Program (SNAP) Temporary Family Assistance (TFA) 			
A) If no one in your household participates in any of the above listed programs: <ul style="list-style-type: none"> Leave STEP 2 blank and go to STEP 3. 	B) If anyone in your household participates in any of the above listed programs: <ul style="list-style-type: none"> Write a case number for SNAP or TFA. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your DSS social worker. Note: Do not use a HUSKY Medical Benefits number since this number is not a SNAP or TFA case number. It is also recommended (but not required) that you submit proof of this SNAP or TFA case number when you submit the application for processing. Proof does NOT include a copy of the CONNECT card. <ul style="list-style-type: none"> Go to STEP 4. 		
Step 3: Report income for all household members

Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents. <ul style="list-style-type: none"> Gross income is the total income received before taxes. Many people think of income as the amount they "take home" and not the total "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay. Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated. Mark how often each type of income is received using the check boxes to the right of each field.
