## **DID YOU KNOW?**

Billingsley School has a Family-Parent Engagement Room. This room has materials that parents/guardians may check out to use at home with their children to reinforce skills at home. Contact Angel Glass for more information: [angelina.glass@acboe.net](mailto:angelina.glass@acboe.net)

## What's Up in...

**2<sup>nd</sup> Grade-** In 2<sup>nd</sup> grade we are starting our plants and animals unit in Science. Students will be learning and conducting experiments about the needs of plants and animals, as well as how they depend on each other.

**3<sup>rd</sup> Grade-** As third graders got ready to begin ACAP testing, parents helped ease the anxiety of testing. Mrs. Willis asked parents to write a note for their child for each testing day. Students opened a note each morning that encouraged them to do their best on the test. These encouraging notes from parents helped students feel confident in their knowledge and ability to do well on the state mandated tests. Mrs. Willis was delighted at all the parents who responded with such enthusiasm. This displayed the awesome parental support we have for Billingsley School and the children who attend school here.

Our amazing lunch staff surprised Miss Calloway's class with popsicles. They said the class is the most polite class with the best manners they have ever seen!
