The Textbook Adoption Process Summary

The schools of Mississippi follow a five (5) year adoption cycle with the right of the board, in its discretion, to renew or extend the contract from year to year for a period not exceeding two (2) additional years, **(Section 37-43-19 (c), Mississippi Code of 1972, Annotated)**. The detailed steps of this process are as follows:

1. Subject areas are designated each year and placed on the Adoption Cycle Calendar.
2. The MS Department of Education distributes the curriculum standards.
3. The publishers submit books for bid that meet the curriculum standards.
4. For each subject area, a seven member State Rating Committee reviews the submitted books.
5. After the review process, the State Board of Education approves the textbooks for adoption.
6. Copies of the adopted books are sent to schools by request to each

school district for administrators and teachers to review.

7. The Textbook Caravan, travels throughout Mississippi to provide each school district an opportunity to hear presentations about the newly adopted books.
8. After reviewing the books and attending the presentations on State Caravan, districts vote on which books they want to use in their schools.
9. Districts purchase the selected textbooks through the depository or directly from the textbook company.

This is a summary. A detailed explanation of the adoption process can be found on the web in the Textbook Adoption Handbook.
