Dear FMS Students and Families,

Welcome to another great year at Franklin Middle School! As a former Bulldog, it is an honor and a privilege to serve the school and community that helped shape me. I understand what it means to have Bulldog Pride, and I am proud to continue a tradition built on hard work, commitment, and high expectations every day.

Our mission is clear. FMS is committed to ensuring every student is challenged, supported, and prepared for the next level through our expectations and strong instruction.

Our vision drives our work. FMS will be a school where students are engaged, learning is purposeful, and high expectations drive success in every classroom.

Families, your partnership is essential. When we work together, we create the conditions for ALL students to succeed. We encourage open communication and continued involvement throughout the year.

Students, we believe in YOU! You will be challenged and expected to give your best effort each day, and we will support you in achieving the best version of yourself. Being a Bulldog means showing pride in your work, respecting others, and being committed to doing what is right, even when it is difficult.

At FMS, we are **Build Different. All In. Every Day.** This is not just what we say, it is what we expect of each other and what we will deliver.

I am excited about the year ahead and look forward to the challenges and successes that we will make together. Together, we will make this year a great year at Franklin Middle School.

Sincerely,

Joycelyn McDavid
