## COMPENSATION AND PAY PLAN

The Superintendent shall prepare or cause to be prepared salary schedules for school system personnel each fiscal year. The salary schedules shall be presented annually to the Board for review and approval.

Base pay for classroom teachers and those other selected, certificated individuals whose work day is spent working directly with students or whose work product solely benefits the instruction of children, shall be determined by the State of Alabama Teacher's Salary Matrix. From time to time, the State of Alabama publishes certain salary matrices for other types of employees. In those situations in which the State publishes a State Salary Matrix for a particular group of employees, the State Salary Matrix shall control.

For all other employees, including principals, assistant principals, and central office certified administrators, the Superintendent shall develop and recommend a compensation or pay plan to the Board for adoption. Changes in the plan, after initial adoption, shall be approved annually by the Board.

The compensation or pay plan is designed to provide appropriate pay for the assessed worth of system jobs. The current plan shall consist of step salary schedules for the following employee groups or pay families:

1. Teachers
2. Administrative/Professional
3. Clerical/Technical
4. Manual Trades
5. High School Principals
6. Middle School Principals
7. Elementary School Principals
8. High School Assistant Principals
9. Middle School Assistant Principals
10. Elementary School Assistant Principals
11. Occupational Therapy/Physical Therapy
12. Child Nutrition Program Managers and CNP Assistants
13. Bus Drivers
14. Bus Aides
15. Nurses

The compensation or pay plan is designed and administered to accomplish the following:

1. Stay competitive with appropriate labor markets for the various categories of jobs performed by personnel,
2. Recognize the levels of skill, effort, and responsibility required for different jobs,
3. Protect continued length of service to the Board with regard to the hiring of new employees, and
4. Fiscally control and provide cost effective guidelines.

A copy of the System's compensation or pay plan for the current year is available in the administrative offices and shall be posted on the System's Internet website.

**Step Advancement:** Each eligible classified employee and certified personnel not paid on the teacher's salary matrix shall, upon recommendation by the Superintendent and a majority approval by the board, advance one step on the salary schedule each budget year (currently October 1 of each year). In years' in which the Superintendent does not make a recommendation for a step increase or the Board does not, by a majority vote, approve the recommendation for a step increase, there shall be no step movement. Employees not paid on a state salary matrix who are not assigned to a salary schedule or who have reached the highest step on their salary schedule shall receive, every three years, a cost of living increase equal to 1.5% of their current salary contemporaneously with the step advancement of other eligible employees. In those years in which no step movement occurs no cost of living increase shall be granted.

Employees paid on a state salary schedule (the “State Salary Matrix or Schedule”) shall progress automatically to the next appropriate step.

**Assignment to Pay Grade:** Consistent with economic and job market indicators, the Assistant Superintendent or Executive Manager of Human Resources (the pay plan administrator) may recommend to the Superintendent the initial assignment or re-assignment of a job title to a specific pay grade, salary schedule and/or step. Additionally, the Superintendent retains the right to recommend the initial assignment and/or reassignment of a job title to a specific pay grade, salary schedule and/or step at any time. The annual publication of the compensation or pay plan (i.e., salary schedules) shall reflect any adjustments made. The state of Alabama recently authorized the hire of Adjunct Instructors. The rates of pay for these specialized, often part time, instructors may vary greatly based on the type of instruction involved. The Superintendent and Executive Manager of Human Resources are authorized to negotiate such reasonable salaries as necessary to hire any employee, including said Adjunct Instructors.

**Assignment to Step within Pay Grade:** The steps within each of the pay grades, unless otherwise set forth herein, are compensation steps and are not based on experience credit. They are NOT experience steps. Personnel can be assigned to a compensation step based on factors other than experience. Market competitiveness for the particular position can be considered.

**Salary Retention:** If a principal or assistant principal is transferred, either voluntarily or otherwise to a position other than principal or assistant principal, or if he or she applies for and is recommended and approved for a central office position, the salary shall be paid on the appropriate step for the new position. Experience in the System will be a factor in determining appropriate step placement.

A principal who is re-assigned or voluntarily accepts a position of assistant principal will be placed on the Assistant Principal Step Salary Schedule.

If a contract principal’s contract is not renewed, and if he/she is hired in another position other than principal, he/she shall be placed on the salary schedule appropriate for the work assignment (i.e., he/she shall not retain the salary of a principal for one year.)

**New Jobs:** Newly established positions or jobs approved by the Superintendent shall be analyzed and classified by the pay plan administrator and assigned to an existing job family and corresponding pay grade.

**Assignment of Salaries for New Hires:** The Superintendent or designee shall approve pay assignment to a step within the appropriate salary schedule for new employees in accord with state law and regulations and the following general guidelines:

- New employees with limited work experience in the job title to which they are being hired shall be placed generally at the zero (Step 0) step of the assigned step salary schedule.
- With the Superintendent’s approval, new employees may be placed at any other step above Step Zero. .
- Former employees, who previously left the System in good standing, and are rehired in the same position that they were in previously, may be placed on the same step that the employee was on at the time they left the System. For example, a bookkeeper who resigned in good standing at step 12, who is rehired as a bookkeeper five years later, will be placed on step 12 at the time of her rehire. Employee’s that are rehired in a different position will be placed at the appropriate step for the new position. This provision will be applicable to any former employee rehired after January 1, 2012 and has no retroactive applicability. This provision applies specifically to classified employees. The Executive Manager of Human Resources shall have authority to adjust the step at which the employee is rehired as necessary to reflect changes in the salary schedule that have occurred since the respective employees left the system.

**RATES, RULES AND CONDITIONS – ADMINISTRATION OF THE  
SALARY SCHEDULE**

**I. Definitions:**

1. “New Employee” – A current employee who is assigned to a new or different position. An employee who is new to the position.
2. “Employee New to the System” – An employee who is beginning employment in the System.
3. “Promotion” – A salary increase resulting from an employee moving from one pay grade to at least the next highest pay grade.
4. “Upgrade” – A job, job title or position that moves from its current assignment to a pay grade to the next highest pay grade.
5. “Step Raise” – Moving up one step on the appropriate salary schedule.

**II. General Procedures:**

**A. Miscellaneous, General:**

1. Omitted.
2. Effective October 1, 2011, the salary of an employee who receives a promotion (moving from at least one pay grade in the same job family to a position paid at a different, higher pay grade) will be determined by increasing the employee’s original step salary by four (4) per cent and then moving to the step in the new pay grade that is immediately higher in salary after the four percent is calculated. The Board recognizes that not all transfers between positions are promotions and in those truly lateral transfers, 4% will not be added to the person’s salary; rather, he or she will be put on the appropriate step on the new salary schedule based on the person’s prior salary. The following scenarios are considered “promotions” for the purpose of this section: (1) an increase in the length of someone’s work year (i.e. increase from 10 months to 12 months); (2) the acceptance of a supervisory position.
  - a. A CNP Manager who is promoted to a larger school or a school that serves a higher ADM shall be moved to the same step he or she is currently holds on the appropriate schedule for the new position.
  - b. Examples of transfers that are not considered promotions include, but are not limited to: a school based clerk accepting a different school based clerk position paid on the same salary schedule, a clerk or bus driver accepting a custodian position or vice versa, and a carpenter accepting a multi craft carpenter position.
  - c. Salary decreases associated with changes in positions will be calculated by moving the employee to the same step on the appropriate salary schedule for the employee’s new position. Effective October 1, 2021, Bus Drivers and Aides who move between schedules (i.e. from a single to dual or a bus aide who is promoted to a driver) will retain their same salary step.
3. For employees not paid on a state salary matrix, the step increase shall not occur until October 1 and only if the Board, following a recommendation by the Superintendent, approves by a majority vote that step advancement shall occur. Newly hired employees will not receive a step increase on October 1 in the same year they were hired unless they were hired before January 15 of that year.
4. The Division of Human Resources routinely advertises all personnel vacancies and new positions as required by state law. Each advertisement includes a job description and the salary range assigned to the position. It is the responsibility of an applicant to check with Human Resources, prior to applying or

accepting a position, to determine the actual salary he/she would earn if hired into the position. Once an applicant accepts a position, he/she has also accepted the salary appropriate for the position.

5. Except as otherwise provided herein, employees who are assigned to a position with a salary schedule different from their current schedule shall be placed according to the new salary schedule.

The appropriate step will be the next highest step on CN 05 above the CNP Manager's current salary. CN 06 will be eliminated and all CNP Managers will be paid on CN 05 going forward. CNP Managers paid on CN 04, the highest scale, will be grandfathered into their current salary and shall receive their salary and appropriate step increases until the CNP Manager on CN 04 leaves the system or voluntarily accepts another position in the System. In the event that a CNP Manager paid on CN 04 accepts another CNP Manager position in the system, he or she will be placed on the appropriate step on CN 05.
  - d. Any currently employed CNP Manager whose base salary decreased between October 1, 2011 and October 1, 2014 as a result of a decrease in the number of average daily meals served shall receive a one time lump sum payment equal to the amount of base salary lost as a result of a decrease in the average daily meals served during the aforementioned time period. - d. Day Care workers who are not already System employees are considered "miscellaneous hourly workers" and receive no benefits. **These specific workers cannot work over 19.5 hours per week.** Effective August 1, 2014, no further "miscellaneous hourly workers" may be utilized as day care workers. All workers in the day care must be hired as system employees as extended day workers. Extended Day Workers may not substitute for MCPSS in any capacity.

4. **Guidelines for Principal and Assistant Principal Salary Placement.**

- a. Salary placement for principals and assistant principals will be based on the assigned school's enrollment as reflected on the annual Average Daily Membership (ADM) annual report and adjusted for the years of position experience and educational level of each principal and assistant principal. The Principal and Assistant Principal matrix in II.C.2 and II.C.3 above are intended to provide equitable and consistent pay for principals and assistant principals based on their assigned grade span grouping (i.e. elementary, middle or high). All principal and assistant principals will be assigned a base salary based on the grade span grouping and ADM of the school. To the base salary, the appropriate percentage shown in the experience and education matrix will be applied to each principal and assistant principal's base salary with the appropriate percentage based on the experience level and highest educational degree attained applying. The percentage amount applied to the base salary will be adjusted as necessary as the principal or assistant principal employee's experience increases or as higher educational degrees are attained.

- b. At the beginning of the new contract period, the contract principal will be placed on the appropriate salary schedule which will reflect the current ADM for the school and the Principal's salary may be reduced.
  - c. Any reduction in salary based on enrollment for a Principal or Assistant Principal must be done pursuant to the requirements of the Students First Act of 2011 and other laws of the State of Alabama. If a principal or Assistant Principal's salary on December 31, 2022 exceeds the salary which would be earned under the appropriate matrix above, said matrix will not be applicable.
  - d. Experience as a principal or Assistant principal is intended to be comprehensive and will include experience in the position earned in an accredited private school or at any grade level or grade span. All experience must be verified.
  - e. The Superintendent reserves the right to waive a decrease in a Principal salary. Any questions, disputes or issues that may arise regarding the applicability of the matrices set forth in II.C.2 and II.C.3 above shall be solely resolved by the Superintendent at his absolute discretion. The Superintendent is granted the right to make adjustments to a principal or assistant principal's salary for programs and specialty schools such as hospital programs, career tech programs, the Environmental Center, Augusta Evans, the Callahan School, etc.
5. The amount of salary to be paid an administrator whose pay grade has been designated as "open" shall not exceed the base amount paid the Superintendent.
6. If an existing or current full-time twelve-month employee who is paid on the administrative/Professional (AP) pay grade receives AA certification or a doctoral degree from an accredited institution, \$3,867 will be added to the current salary for AA and \$4,282 for a doctorate. Employees who work less than 12 months per year who receive a higher degree in accordance with policy will receive a prorated increase. The Assistant Superintendent or Executive Manager of Human Resources shall make the final decision as to whether a degree is job related or whether a University or College issuing a degree has the proper accreditation.

#### **D. Experience Credit:**

1. Earning of Experience Credit in MCPSS is calculated as follows:

# paid work days divided by the # days in contract year

#### **2. PROCEDURES FOR EXPERIENCE CREDIT**

- a. Experience credit for determining salary shall be given for all **verified full-time satisfactory, public school teaching experience in the field** for which the previous public school system paid a full-time salary. Experience credit for verified part-time satisfactory, public school teaching experience in the field for which the previous public school system paid a part-time salary based on a teacher salary matrix shall receive experience credit in proportion to the percent of time/he/she worked when compared to a full-time employee, as certified by his/her employer. **No experience credit will be given for unpaid days and/or unpaid leave.** The employee shall be responsible for requesting verification of prior experience from the designated personnel official and for making certain that the form sent is acceptable by Mobile County. **Experience credit cannot be granted until this form has been completed and notarized or stamped with the school system's seal and received in the Division of Human Resources.**

- b. When experience verification is received during the first year of hire, credit will be given retroactively to the date of hire. Experience credit received after the first year of hire will be given retroactively to the beginning of the school year in which the documentation is received and NOT date of hire.

*NOTE: Experience verification received after the last day of school will be honored only for the succeeding year forward (i.e., pay will not be retroactive to prior school year).*

- c. Verification forms for the employee to use to obtain verification of earned experience credit are available in the application packet, on the MCPSS web page, and in the Division of Human Resources.

#### **E. Holidays and Personal Leave:**

  - c. Annual leave as follows:

    - 20 days per year after 240 months of service
    - (Service is defined as service in the Mobile County School System.)
  - c. At the time of termination all twelve-month employees shall be paid for unused accumulated annual leave days (maximum 45 days).
4. All employees are given up to two (2) personal leave days per contract year and one (1) sick leave day per month. Employees starting work after December 31<sup>st</sup> are entitled to only one day of personal leave. Employees starting work after March 31<sup>st</sup> shall be entitled to zero days of personal leave in that work year. Sick leave days can be accumulated and kept from year to year. Effective August 1, 1997, all personnel will have their unused personal leave days converted to accumulated sick leave days at the end of the school or contract year. Certified personnel may choose to have these days paid instead of converting them to accumulated sick leave days.
