

Righetti Home Economics Department Play School

Dear Parents,

Welcome to Righetti High School. Our Child Development classes are conducting a play school for preschoolers. The purpose of the play school is to enable students in these classes to observe children learning through play. The students will be better able to understand the physical, social and emotional development of the preschool child after this experience.

The play school will be held on **April 18, 19, 23, 24, 25, 26, 30, May 1, 3, 7, 8, 9, 10, 14, 16, 17, 21, 22, 23 and 24**. PLEASE MARK THESE DAYS ON YOUR CALENDAR AS PLAY SCHOOL IS NOT HELD EVERY DAY OF THE WEEK. Each session will begin at 8:15 a.m. and end at 10:15 a.m. During this time the children will have free time as well as snack time and other learning experiences. A donation of \$20.00 (a one-time fee) per child is requested to cover the cost of the snacks and art materials.

We wish to stress that the children should wear play clothes so they will feel comfortable and at ease during the play school. Please bring one complete change of clothes in a paper bag in case of "accidents" (mark all items with your child's name for easy identification). We request that you not allow your child to bring food or toys from home.

Registration can be done online by **March 22nd** to ensure a spot. This allows us to review the information with our students and avoid confusion the first day of preschool. If you would like to bring your child to Righetti before preschool begins, call 937-2051 x2102 and we will make arrangements. Thank you for your participation in our program. Our students in Developmental Psychology are really looking forward to this experience.

Sincerely,

Mrs. Heidi Andree

We would also like to have a picture of your child to review with our students attached with your registration. This allows us to avoid confusion the first day of preschool.

Dress Code

Children should wear play clothes so they will feel comfortable and at ease during the play school. Please bring an extra set of clothes, in a bag, in case of “accidents”. Please mark all items with your child’s name for easy identification. We suggest you send your child with a jacket everyday as the weather changes so frequently.

Outside Food

We would like to request that you do not send your child to school with food. We provide them with a snack, and the extra food causes problems with the other children.

Health Policy

We recommend your child be up to date on their vaccinations.
