## **IMMEDIATE RELEASE**

July 23, 2025

### **Public Media Release: Community Eligibility Provision (CEP)**

Effective: July 1, 2025 – June 30, 2026

Williamsburg County School District is proud to announce its continued participation in the Community Eligibility Provision (CEP) for the 2025–2026 school year.

Thanks to this program—established under the Healthy, Hunger-Free Kids Act of 2010—all students enrolled in our schools will receive healthy, nutritious breakfast and lunch each school day at no cost to their families. No meal applications are required.

This initiative reflects our district's deep commitment to supporting the whole child—academically, emotionally, and physically. We understand that when students are well-nourished, they are better able to focus, learn, and grow. By removing the barrier of cost, CEP ensures that every student has a fair and equal opportunity to start the day ready to learn and stay energized through the afternoon.

Meals served through this program follow USDA nutrition guidelines, providing students with balanced, wholesome options that fuel both body and mind. We encourage all families to support their children in participating in our breakfast and lunch programs—it's a simple but powerful way to help them thrive in and out of the classroom.

If parents or guardians have questions or would like more information, please contact our School Food Service Director, Tory Gibson. If a parent or guardian does not wish for their child to participate in CEP, they may also reach out to Mr. Gibson for an informal discussion.

Together, we can ensure that every student in Williamsburg County is nourished, cared for, and ready to succeed.
