## BELLRINGERS

At the start of each class, you will have a bellringer. These will be handouts provided that you can write on and keep. I will take weekly classwork (20%) grades of this practice. Every few weeks there will be an announced bellringer test (35%).

## THE PLANNER

Every student will be given a planner. This planner will be a mandatory material that should be brought to class everyday.

This planner contains:

- » Pages to keep up with our back to school forms, class codes, passwords, important dates, grades, and anything else that may be pertinent to this class.
- » The bathroom pass sign out sheet. See planner for rules of these passes. Passes not used can be turned in for bonus at the end of each 9 weeks.
- » An individual learning goal check sheet will be used to chart math data and rubrics will help your child reflect on academics and effort.

A class calendar can be found on google classroom, my school page, or I can email you the link. This calendar will contain my lesson plans & any handouts or files needed for the lesson. Students who are absent have 3 days to make up missed assignments. This includes formative and summative grades. This is your responsibility. After the third day, a zero will be put in for the grade. This is in accordance with the Coffee County policy.
