

ODEM ELEMENTARY SCHOOL

*Where the Future Begins!
5th Six Weeks*

Administrators Corner:

Happy Spring OES Families!

We are now into the 6th-six weeks of school and time has just flown by very quickly. This is a very busy time of year and as we embark on the last weeks of school, remember that the learning should not end because the school year is coming to a close. There are several activities you can do at home to help your child sharpen those math and reading skills this summer. You can also visit the public library and check out books that you and your child can read together. It has been a productive year and we look forward to the 2023-2024 school year.

Teachers are the best!*

If you would like to plan a meal or treat for your student's grade-level, please contact Becky Delarosa for details.

Thank you to all the families that attended Math and Science Night on February 23rd. Students and their parents participated in several fun learning activities that helped sharpen their math and science skills. We hope to continue to offer opportunities to partner with parents in the future!
