STUDENT DISCIPLINE OUT-OF-SCHOOL ACTIONS

The Board of Trustees recognizes that out-of-school conduct of students attending the North Country Charter Academy is not normally a concern of the Board. However, the Board believes that disciplinary action for conduct occurring off school property and not involving a school activity is proper if the conduct has an adverse effect upon the school.

Therefore, it is the policy of this Board that any student attending the North Country Charter Academy will be subject to disciplinary action including, but not limited to, suspension from school for any conduct that, in the opinion of the Principal, has an adverse impact upon the school.

Such activity includes, but is not limited to, the following:

1. Damaging school property, e.g. a school van;
2. Engaging in activity, which causes physical or emotional harm to other students, teachers, or other school personnel;
3. Engaging in activity that directly impedes discipline at school, or the general welfare of school activities.
