

Dear Clarksdale Collegiate Families,

It may be hard to believe, but **we are just one month away from the first day of school on Wednesday, July 29th**. In the coming weeks, you will receive lots of communication. This is the first of several updates as we approach the new year. Please keep reading for the information shared during last week's Registration & Preview event!

Enrollment Reminders and Updates

If you received this email, we have your child completely or mostly registered for next year. THANK YOU! We encourage families who still have a step to complete to be completely registered to try to get it done this week.

We do have seats available in Kindergarten and 1st grade. There are limited seats available in most other grades. If you know of a family interested in Clarksdale Collegiate, please encourage them to complete the interest form on our website (<https://www.clarksdalecollegiate.org/enroll>). As a reminder, we offer Special Education services.

Our main office on the K-6 campus is open this week for registration support, Monday - Thursday, 9:00 am to 3:00 pm. Please note that we will be closed on Friday, July 3rd in observance of the 4th of July holiday. You can also email registrar@clarksdalecollegiate.org with questions or support.

First Day of School and 2026-27 Calendar & Hours

As mentioned, the first day of school is Wednesday, July 29th. Please review and save the 2026-27 School and 21st Century Calendar linked below in preparation for next year. We have updated our school hours to address family feedback. **The updated school hours for each campus are:**

K-6th Grade: 7:45 am to 3:00 pm, Monday through Friday
7th-10th Grade: 8:00 am to 3:45 pm, Monday through Friday

21st Century Program

We made adjustments to our calendar and hours specifically to create a more robust [21st Century Program](#). 21st Century offers beyond-school programming, including art, music, drama, academic intervention and enrichment, fitness/sports (K-6), and STEM. The program is open to all K-10th grade scholars. New this year, a meal will be provided for scholars during after-school. Registration for the first session will start at Book Frenzy.

7th-10th Grade Sports Update

We are gearing up for several sports programs for the 2026-27 school year! Tryouts are open to rising 7th through 10th grade scholars and start this week. Please review the flyer linked below for details. All scholars must be registered for the 2026-27 school year to be selected for a team.
