All About Miss Myers

My name is Miss Myers, and I am so excited for this upcoming school year. I graduated from Troy University in May 2022, and this will be my third year teaching Reading & ELA at PES! I have grown up and lived in the Deatsville area my entire life. I enjoy going to church, spending time with friends and family, working out, traveling, and shopping. This October, I will be getting married! I cannot wait to get to know you and your child and help them foster a love for learning!
