## WELCOME BACK!

### IT'S FINALLY HERE—FIRST DAY FOR STUDENTS!

As the new superintendent of Tasunke Witko Owayawa, I want to welcome students, staff, parents, guardians, and community members to the 2022-23 school year! My name is Margo Heinert and I am especially excited to be serving as your superintendent. It has been a pleasure meeting and getting to know various students, staff, and community members these past two months. I'm looking forward to meeting many more of you.

My main goal is to work closely with the staff, parents, and guardians to help provide the highest quality learning opportunities possible for the children we serve. I have been so impressed with how hard everyone is working to make the school ready for the students today. The past two and half years of the Covid pandemic has been extremely difficult for us all. We want to make sure the Tasunke Witko Owayawa provides an environment that is friendly, trusting, and safe for children and staff alike.

Forming a Parent Group is also high on my list of goals for your children. The National PTA reports that the "most accurate predictor of student achievement in school is the extent to which the family becomes involved in the child's education." Parental support and involvement benefits students of all ages and I look forward to working with you to determine things we can do to help your children succeed.

I invite and encourage you to stop in and visit if you have any questions or concerns about the school or the services we provide. As parents and community members, you have a wealth of information to provide when it comes to building a positive, productive, and healthy future for the students of Tasunke Witko Owayawa

*Margo Heinert*
