

BANKING

2024 Syllabus-Sarah Hall

Course Description

Explore the financial world as students dive into the main areas of financial services, including banking, investing, and insurance. Basics of banking and credit include a brief history of money and banking, negotiable instruments, creation of credit, and the function of banks.

All course work will be located in Google Classroom.

Grades

Daily Assignments: 60%

Projects: 40%

*Daily assignments are done in class and typically take 1-2 days to complete.

*Projects are done in class and typically take 3-5 days to complete.

This class is the final course of the Financial Services Pathway. Students will take a "Credential of Value" at the end of second semester. Students who earn a passing score will earn a platinum cord for graduation.

Expectations

1. Listen and read directions--if you have questions, ask!
2. Do not tamper with the computer parts.
3. Be respectful of surroundings--others, teachers, guests, etc.

Cell Phone Policy

- Upon entering the classroom, students may choose to place cell phone in the number slot assigned to them.
- The door will be locked where cellphones are placed.
- If a student chooses not to place their cellphone in their assigned slot, they will pick up a card that says the following:
- "I am choosing to not place my cellphone in the holder. I am aware if I am seen on my phone, it will be taken immediately and sent to the front office."
- If a student chooses not to place their phone in the slot, they may not go to the restroom without turning the phone in to the teacher.
- Students will pick up their cellphones 2 minutes before the bell rings for class change.
- Please note: during all exams cellphones will go in the assigned cell phone slot.
