

SERVICES

Clients coming into the family resource center are referred to resources for assistance with identified needs such as:

Financial, Housing, Food, Utilities, Parenting classes, etc. Many applications for the assistance can be completed onsite while at the resource center. Follow up contacts are made to ensure that the clients' needs are met.

CASE MANAGEMENT

We provide case management services and access to necessary supports to vulnerable families, individuals, and children. Our Family Support Worker partners with families to recognize their strengths and guide families in setting goals toward the pursuit of increased self-reliance or in attaining self-sufficiency.

OUR MISSION

The Elmore County Family Resource Center's Mission is to strengthen families in Elmore County through career development, support, referrals, and education to ensure they are healthy, thriving, and self-sufficient.

SMART & SECURE CHILDREN OF ELMORE COUNTY

ECFRC partners with the Hispanic community in Elmore County to ensure that Hispanic children get the support they need at home. The program will collaborate with local elementary schools and Hispanic churches to support the needs of the families. The program utilizes the Smart & Secure Children curriculum to educate parents on fundamental development stages. The curriculum pairs seamlessly with the Strengthen Families framework a research based, cost effective strategy to increase family stability. Enhanced child development and reduced child base & neglect.

FAMILY ASSISTANCE THROUGH COMMUNITY TIES (F.A.C.T)

The Fact program is dedicated to supporting a family's capacity to raise healthy, well-functioning, and successful children. The broad of array of prevention and early intervention services are developed and delivered according to the unique needs of families in each school community. The program especially emphasizes outreach to traditionally underserved population to increase access to basic services and involvement in school.

LITERACY SUPPORT

Program for Parent - Engaged literacy initiative that help support families and unique opportunity for parents to learning effective literacy skills and strategies to build confidence and a stronger reading foundation their children.

EXPUNGEMENT SUPPORT

Alabama has a number of individuals who may be newly eligible to have their records expunged under the Record Expungement Designed to Enhance Employment and Eliminate Recidivism (REDEEMER) Act that took effect applicants are now able to apply for a waiver of the associated fee using an Affidavit of Substantial Hardship (ASH).
