Pooled Classroom Testing designed for K-12

WHO WE ARE: **Concentric by Ginkgo** currently offers full service K12 testing programs to over 1,000 schools across the country. A no cost program to test students weekly to safeguard the health and wellbeing of teachers, students, and community.

Key Benefits:

Simple

Self-swab process for kids as young as kindergarten. Test an entire classroom in less than 10 minutes a week, with an easy online portal to get results.

Peace of Mind

Confidence for your school community considering the rise of more contagious variants, including the Delta variant.

Empowering

Kids and school communities feel that they are part of the solution.

Pooled testing enables testing every student, every week.

STEP 1:

Self Swab - 5-25 students
And teachers in a class
self-swab and drop their
swabs into a single tube.

STEP 2:

Test the Pool - That tube is
then run using one test,
and the classroom is
provided with one result.

STEP 3:

Get Results - Only positive
pools result in next steps,
which vary by school.
