Pre-K Registration for 2022-2023 School Year

Registration for Pre-K students will be February 22nd-25th for the 2022-2023 school year. Registration packets will be available on the school website and in the front office beginning February 22nd. Registration will be based off of first come, first serve basis. Southwest Georgia STEM reserves the right to allow Pre-K students that are siblings of current and new students first priority in certain situations.
