

## **Mrs. Kovalesky's 7th Grade Summer Reading**

1. Choose a book to read- Choose one book from any genre(type of book) to complete your summer reading.
2. Due date- Your entire summer reading assignment is due on \_\_\_\_\_. No summer reading assignments will be accepted after \_\_\_\_\_. Points will be deducted each day your assignment is late.
3. Grade- Each assignment will count as one test grade for the first marking period. There are three different parts to your assignment( fiction worksheet, biographical connection, and create a cover) so you will have three test grades for your summer reading assignment.
4. Fiction worksheet- You are to answer #1-8 either on lined paper or in a Word document that you print out to hand in. Make sure you number your answers.
5. Biographical Connection- complete #1-5 using 5 facts about the author of the book. Answer one of the questions at the bottom of the page. Place your answers either on lined paper or in a Word document that you print out and hand in. Make sure you number your answers.
6. Create a Cover- Draw or trace a unique book cover for the novel you read. Your image must be in color.
