7. Any Information from City of Nordheim

Nordheim School Safety Meeting

September 11, 2024

Minutes

Mr. Wilson went over training of the new Sentinel website created by TEA. He discussed some area that would be addressed and that a lot of the school safety information would be housed on this website.

Mr. Wilson discussed the addition of Radios to the campus plan and also that a repeater would be placed on the tower at the Hall. This should allow for better communication for the district and law enforcement.

Mr. Wilson discussed some areas of the EOP that will be updated along with additional annexes.

Mr. Wilson discussed the School Safety Audit that the school does for themselves. He stated the district has hired School on Target to perform the audit.

Mr. Wilson asked if Dewitt county emergency management or the City of Nordheim had any information they wished to share at this time.
