

2024 Parent Breakfast  
January 31, 2024

# Chick Fil-A Gift Card Raffle

---

Welcome

# What exactly is the ACAP?

---

**ACAP** is an annual state summative assessment to determine achievement for each student in our state.

How is the  
data used?

Student data is used to determine if your child is progressing academically.

Student data is also used for the school report card and to determine if we are a Priority school.

## Who takes the ACAP?

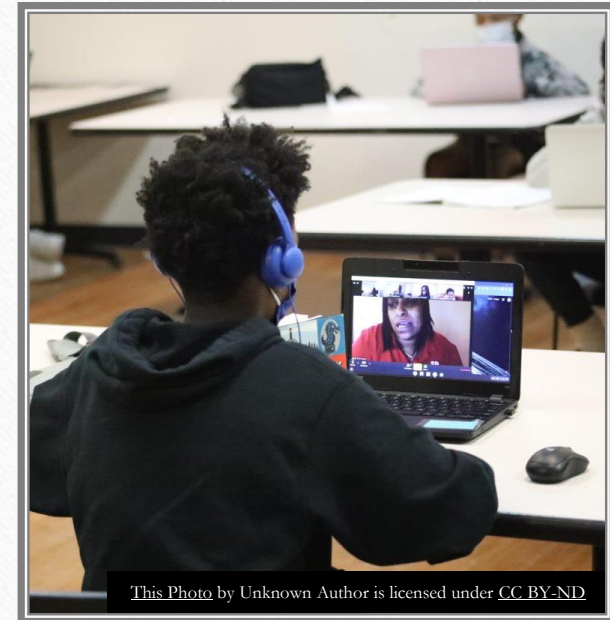

**All students in  
grades 3-8 take  
ACAP.**

**High school  
sophomores and  
juniors take Pre-  
ACT & ACT**

# What exactly is the ACAP? (cont'd)

---

- ACAP is given online with Chrome Books in a controlled classroom testing environment that cannot be disturbed.
- The tests are on grade level.
- All tests are timed.
  - Some students receive additional time.

## How to help at home: Reading & Language Arts

---

- Have students reading 10 minutes daily then gradually increase the time.
- Have a discussion with them about the importance of striving to do their best on the *ACAP* assessment and within classroom.
- Limit student's access on their devices and social media during the afterschool hours and make sure their children get plenty of rest
- Encourage their children to spend at least 30-45 minutes practicing on programs such as IXL and Khan Academy to help build skills in reading and Math.

# How to help at home: Math

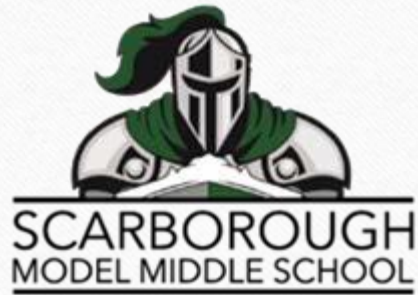

---

- 1) completing classwork/homework assignments
- 2) studying for test
- 3) practice problems IXL
- 4) ask them questions about their day/ask to see their notebook or textbook
- 5) if a teacher has a practice folder, students need to do what's inside that folder
- 6) repetition (make students rework problems from notes without notes)
- 7) encourage their child to ask questions when they do not understand
- 8) parents need to check Schoology

## ACAP Bootcamp/Saturday School 8am-12pm

---
