STANFIELD ELEMENTARY SCHOOL DISTRICT NO. 24

REQUEST FOR PROPOSALS NO. 2025-01-2029

I. Purpose

The purpose of this Request for Proposals (RFP) is to enter into a contract with a qualified Certified Public Accountant to conduct an annual audit of financial transactions and accounts kept by or for the District, subject to the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) for the five years ending June 30, 2025- June 30, 2029 and to complete the *Uniform System of Financial Records for Arizona School Districts* (USFR) Compliance Questionnaire (CQ). The District reserves the right to suspend the provisions of the contract for any year in which the District expends less than the qualifying amount of federal awards set forth in the Uniform Guidance.

II. Scope of services required

The selected audit firm will be required to perform an annual audit, in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* (GAS), issued by the Comptroller General of the United States, and the Uniform Guidance and issue the reports required by those standards. In addition, the audit firm must complete a USFR CQ in accordance with the instructions the Arizona Auditor General prescribes.

Districts must comply with the USFR. To help determine whether districts are in compliance, the Arizona Auditor General has developed the USFR CQ, which consists of a series of questions the District's audit firm must complete regarding requirements set forth in the USFR and Arizona Revised Statutes. (For a biennial audit, the CQ is only required to be completed for the second year of the 2-year audit.) The audit firm may obtain a copy of the USFR CQ in the USFR Manual on the Arizona Auditor General website at www.azauditor.gov.

Changes in services

Changes in the scope, character, or complexity of the service may be negotiated if it is mutually agreed that such changes are desirable and necessary. Such changes must be authorized in writing by the school district **and approved by the Arizona Auditor General, prior to the performance of the service.**

III. General information

A. Mandatory qualifications

The following qualifications are mandatory for audit firms submitting proposals:

1. The auditors must be properly licensed certified public accountants or persons working for a licensed certified public accounting firm according to GAS.
2. The audit firm must meet the independence requirements of GAS.
3. The audit firm must not have a record of substandard audit work for the last 5 year(s). The District reserves the right to contact the Arizona State Board of Accountancy to verify the audit firm's credentials and the Arizona Auditor General to verify that the audit firm has

STANFIELD ELEMENTARY SCHOOL DISTRICT NO. 24

REQUEST FOR PROPOSALS NO. 2025-01-2029

not been debarred or suspended or that such audit firm's contracts are not routinely rejected for substandard audits.

4. The audit firm must have an external quality control review performed at least every 3 years in accordance with GAS. The most recent external quality control review report must be included with the proposal.
5. The audit firm must meet the continuing education requirements of GAS. Therefore, each auditor responsible for planning, directing, conducting, or reporting on GAS audits should complete at least 80 hours of continuing education every 2 years. At least 20 hours should be completed in any 1 year of the 2-year period. At least 24 of the 80 hours of continuing education should be completed in subjects directly related to the government environment, government auditing, or the specific or unique environment in which the District operates.

REQUEST FOR PROPOSALS NO. 2025-01-2029

based on additional information gathered during the verbal discussions and documented as required by AAC R72-1047(C). If a best and final offer is not submitted, the previous offer will be construed as the best and final offer.

5. Contract award is expected to be made on or before Monday, June 30, 2025. The contract will be awarded on the basis of demonstrated competence and qualifications to perform the required services at fair and reasonable compensation. However, after the audit firm is selected, the Arizona Auditor General will review the proposed contract and approve or disapprove it in accordance with A.R.S. §§15-914(E) and 41-1279.21(A)(4), and Arizona Administrative Code R4-44-117. 6. Audit work may begin as soon as the Arizona Auditor General approves the proposed contract. Audit work must be completed by December 31, 20XX.
7. A preliminary draft of the reports should be completed and an exit conference held no later than December 15, 20XX.
8. The final reports should be submitted to the District no later than March 31, 20XX.

Cost and price information provided in the proposal will be held confidential and will not be disclosed to competing audit firms prior to selection of the audit firm.

All information and proposals submitted by offerors will be made available for public inspection following the award of the contract.

C. Review of proposals and evaluation criteria

The District and any outside experts the District considers necessary will evaluate the proposals. A point formula will be used during the review process to score proposals. If several proposals are very closely ranked, the District may arrange for oral discussions with the audit firms to assist in making the selection.

Proposals will be evaluated using 3 sets of criteria—mandatory, technical, and cost criteria. Audit firms meeting the mandatory criteria will have their proposals evaluated and scored for both technical and cost criteria.
