WILLIAMSBURG COUNTY SCHOOL DISTRICT NUTRITION SERVICES TEAM KICKS OFF NEW SCHOOL YEAR WITH DISTRICTWIDE STAFF MEETING

Williamsburg County School District's Nutrition Services Department, under the leadership of Mrs. Tory Gibson, gathered on July 23rd in the Dr. Rose H. Wilder Multipurpose Room for its annual districtwide Nutrition Services staff meeting, bringing together every member of the district's dedicated nutritional services team in preparation for the upcoming school year.

Centered around the inspiring theme, "A Berry Good Start: Let's Grow Together & Shine," the meeting celebrated the vital role Nutrition Services professionals play in supporting student success through healthy meals, exceptional customer service, and a commitment to excellence.

Mrs. Gibson welcomed team members and expressed her appreciation for their dedication to ensuring every Williamsburg County School District student has access to nutritious, high-quality meals in a welcoming environment. Throughout the meeting, staff members participated in professional development, reviewed district expectations and operational updates, discussed food safety and customer service best practices, and strengthened their shared commitment to serving students with excellence each day.

"Our Nutrition Services team is an essential part of the educational experience," said Mrs. Gibson. "Every breakfast and lunch served represents an opportunity to nourish students, encourage healthy habits, and help them succeed in the classroom. Together, we will continue to grow, shine, and make a positive difference in the lives of our children."

The gathering also emphasized teamwork, collaboration, and the importance of creating positive dining experiences for students across every Williamsburg County School District school.

As the new school year approaches, the Nutrition Services Department remains committed to providing nutritious meals, maintaining the highest standards of food quality and safety, and ensuring that every student is ready to learn and thrive.

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
