 - Next meeting: Friday February 13th @ 1:30p
 - **180 Degree Program**
 - The Middle and High school will continue to use the 180 degrees human sexuality program which is abstinence based.
 - This program is better quality at a less cost than previous programs.
 - Parent Meeting on Wednesday 1-21-26 @ 5:30 in Middle School Library
 - Students will need to be “opted in” by parents in order to participate
 - Program presented to MS & HS on 1-22-26
 - Plan to continue with 180 Degree program for now
- Sharps containers: Where can we dispose of full containers? Heather Redder will check with the fire department to see if we can give full sharps containers to them to have be disposed of. I have since been purchasing the “mail-in” types.
- Screenings: Performed required screenings in October

- PK, K, 1st, 3rd, 5th & 7th students screened for hearing/vision
- 5th & 7th girls screened for spinal abnormalities
- 8th grade boys for spinal abnormalities
- Acanthosis screening performed on any student undergoing a screening. This is done at the same time. Visualization of the back of the neck for the skin condition.
- Parent concerns: Typically parents are concerned about the Spinal Screenings but this year we heard concerns about Acanthosis screening. Send information with any referrals.
- Recommendations: Will continue to notify parents in advance of scheduled screenings to allow an opportunity to fill out an exemption.
