Coraline Book Report

Salam everyone! I hope you all had a great Summer. I cannot wait to meet you all and have you in the classroom. The following assignment will be due on September 15, so make sure you give yourself enough time to complete it.

You will be writing a book report on ***Coraline*** by Neil Gaiman. (The book is available on Amazon) Throughout the book, you will come across many themes that can be helpful in our everyday lives. You will be choosing from 1 of the following 2 themes to write your report on:

1) Family is important.
2) Do not take what you have for granted.

After deciding which theme you would like to write about, you will write your book report.
Make sure to:

- Have an introduction
- Mention the name of the book AND the author
- Introduce your theme
- Have 3 body paragraphs
- **RESTATE** your theme in **EACH** body paragraph
- Quote at least once from the book in **EACH** body paragraph
- Explain each quote and why it supports your theme.
- Your 3 quotes that support your theme should be from the **BOOK, NOT** based on the movie.
- Have a conclusion paragraph.

*Each paragraph should be at **LEAST** 5 sentences*

Please be aware, **points will be taken off** if you use evidence from the movie.
