NYM COMMUNITY EDUCATION OFFERINGS SCHEDULE

JUNIOR CLASS MEMBERS AND PARENTS

It is time to begin thinking about the upcoming Junior-Senior Prom. This year's prom will be held on Saturday, April 29th, 2023. In years past, juniors and their parents have planned, organized and sponsored a chemical-free After-Prom Party immediately following the Prom. The After-Prom Party is not part of the high school-sponsored Prom. If it is going to be held, the Community Education Department will host the event, and it will be up to the students and their parents to plan it. As the Community Education Department and After-Prom Party Coordinator, we will work with those interested in planning the party. Organizational meetings are scheduled for Wednesdays, February 15th, March 8th and April 5th at 6:00 p.m. at the Mills Lanes and Lucky Strike Grill. All junior class members and their parents are encouraged to attend. If you are willing to help, but unable to attend these meetings, please call Blaine at (218) 385-4201 or Tiffany @ (218) 371-1845. If you are unable to help, please consider a cash donation to the After-Prom Party. Thank you for your time and consideration. Let's make this a fun event!!

EARLY CHILDHOOD SCREENINGS ~ 'ECS'

As of January 2014, the Early Childhood Screenings will be conducted by the Lakes Country Service Coop. The Community Education office will be doing the scheduling and the screenings will be completed at the New York Mills School. This screening is required by the school for entrance into PreKindergarten and required by Minnesota Statute 121A.17 for entrance into Kindergarten unless an Exemption form is filled out. It is an opportunity for you to review your child's growth and development and to follow up on any health or learning concerns. The Early Childhood Screening is a FREE screening and includes a developmental assessment, vision and hearing test, height and weight measurements, immunization and health history review and a parent visit. It is NOT an examination to determine readiness for school. Its purpose is to identify conditions that might interfere with your child's ability to learn and to assist parents in developing strategies to help their child succeed. Please call Deb in the Community Education office to schedule an appointment at (218) 385-4203. Please leave a message if there is no answer and she will get back to you as soon as an appointment is available.
