

What is a School-Parent Compact?

A School-Parent Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and home. Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to get involved in their child's education

Jointly Developed

The parents, students, and staff of FCHS worked together and shared ideas to develop the school-parent compact. Teachers met and designed strategies to enhance ways for parents to help their students from home. Parents provided feedback on their needs to better help their child's education. Students shared ideas for their portion of the compact. Meetings are held each year to review and revise the compact based on achievement goals and students' needs.

Parents are welcome to contribute comments at any time.
