

Texline ISD GOALS from CNA

2022- 2023

Revised by DIT August 2, 2022
Adopted by School Board, August 28, 2022

GOALS:

Goal #1: Each year, 100% of Texline Teachers and administrators will use Comprehensive Needs Assessment to provide improved educational services for Texline Students.

Goal #2: Each year, 100% of Texline teachers and administrators will use the STAAR INTERIM/DMAC to analyze data.

Goal #3: Each year, 100% of Texline Teachers and Administrators will participate in mandated staff curriculum and environment development activities.

Goal #4: Each year, 100% of Texline Teachers and Administrators will participate in mandated staff technology development activities.

Goal #5: Each year, 100% of Texline administrators, teachers, and staff will provide training to students to provide a safe and secure learning environment for students.

Goal #6: Each year, 80% of Texline students will meet or exceed the Region 16 passing rate on EOC/STAAR and ACT exams.

Goal #7: Each year, 95% of all Texline Special Education students will meet or exceed 90% of the goals and objectives outlined in the student's current year IEP.

Goal #8: Each year, 100% of Texline students in grades 7-12 will participate in programs designed to provide information about post-high school educational and training choices.

Goal #9: Each year, 100% of Texline students in grades 9-12 will develop or revise written career goals, including CCMR goals such as CTE certifications.

Goal #10: Each year, 100% of Texline students will participate in computer technology education activities that meet the TEKS for their grade level.

Goal #11: Each year, 100% of all identified Advanced Academic Students (GT) will be offered services to provide for their special needs.

Goal #12: Each year, 100% of all identified ESL students will be offered services to provide support to overcome the language barrier.

Goal #13: Each year, 100% of all identified Dyslexia students will be offered services to provide support to overcome their disability.

Goal #14: Each year, 100% of all identified Migrant and/or Homeless students will be offered services to provide support to be successful.

Goal #15: Each year, the average attendance rate of Texline students in grades K-12 will be 97% or better for that year.

Goal #16: Each year, Texline ISD will have a yearly dropout rate less than 1%.

Goal #17: Each year, 100% of all parents and/or caregivers of Texline ISD students will be contracted regularly with information about school activities and student progress.

Goal #18: Each year, 95% of all parents and /or caregivers of Texline ISD students will participate in at least one school sponsored program, event, or activity.

Goal #19: Each year, the administration and Board of Education will address school and community issues.

Goal #20: Each year, the administration and the Board of Education will develop the school budget.

Goal #21: The Texline School Administration and Board of Trustees will ensure that all teachers teaching in core academic subjects are high quality no later than the end of the 2020-2021 school year.

LOCAL GOALS PRIORITIZED August 2, 2022:

Weakness:

#1: Better communication with parents is still a growth area.

- We need to go over this during Title I meeting by directing folks to the calendar and website.
 - Sponsors will do a better job of providing information when they post an event on calendar.
- Also, by FB, All-Call, Remind App, Marquee, Supe's newsletter
 - Enhance superintendent's newsletter with student content

Strengths:

#1: Remote learning is well equipped and trained

#2: Strong staff and excellent students

#3: Strong finances

#4: Excellent school climate and community support

#5: Patriotic and traditional values

LONG TERM TREND:

- Poised for growth between Dalhart and NM but must do it thoughtfully.
- Make sure resources are focused on classroom instruction.
