Before & After School Child Care Program

Our Before & After School Child Care Program is open during the school year everyday that school is in session. Hours and availability are subject to change.

Registration for the Before & After School Child Care Program will be available during school registration.

From the School Nurse:

Your child will need a preschool physical and updated immunization sheet by the first day of school. Medical offices become very busy as it gets close to the beginning of school in August, so it is a good idea to schedule the physical earlier to avoid this. Please bring the physical and immunization forms to the elementary school office.

Thank you.
