All information obtained on this form is accurate and current. If information on this form changes, I understand that it is my responsibility to notify the school's athletic department and accept that a change may alter the eligibility status of my student-athlete.

2022-2023 NCHSAA ELIGIBILITY, CONSENT TO PARTICIPATE, AND RELEASE FORM

THIS DOCUMENT MUST BE SIGNED BY THE STUDENT-ATHLETE OF AN NCHSAA MEMBER SCHOOL AND BY THE STUDENT-ATHLETE'S PARENT OR LEGAL CUSTODIAN BEFORE PARTICIPATION. STUDENT-ATHLETES MAY NOT PARTICIPATE WITHOUT THE SIGNATURE OF THE STUDENT-ATHLETE AND PARENT(S)/LEGAL CUSTODIAN.

I (the student-athlete and parent(s)/legal custodian) acknowledge that I have read and understand the eligibility rules applicable to participation in sports through the North Carolina High School Athletic Association (NCHSAA). I understand that a copy of the NCHSAA Handbook is on file with the member school's principal and/or Athletic Director, and that I may review it, in its entirety if I so choose. I know my school is a member of the NCHSAA and must adhere to all regulations that govern interscholastic athletic programs, including, but not limited to, Federal and State laws, local regulations, and the rules and regulations of the NCHSAA. I agree to follow the rules of my school and the NCHSAA and to abide by their decisions. I acknowledge and understand that participation in interscholastic athletics is a privilege, not a right. I understand that classroom performance, dropping a class, or taking coursework through other educational options could affect eligibility and compliance with NCHSAA academic standards.

STUDENT CODE OF RESPONSIBILITY

As a student-athlete, I understand and accept the following responsibilities:

I will **respect the rights and beliefs** of others and will treat others with courtesy and consideration. I will be **fully responsible** for my own actions and the consequences of my actions.

I will **respect the property** of others.

I will **respect and obey the rules** of my school and the laws of my community, state, and country.

I will **show respect to those who are responsible for enforcing the rules** of my school and the laws of my community, state, and country.

I **understand that a student whose character or conduct violates** the school's Athletic Code or School Code of Responsibility could be deemed ineligible for a period of time as determined by the principal or school system Administration.

PARENTS, LEGAL CUSTODIANS, OR STUDENT-ATHLETES WHO DO NOT WISH TO ACCEPT THE RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM.

I (the student-athlete and parent(s)/legal custodian) recognize that participation in interscholastic athletics involves some inherent risks for potentially severe injuries including, but not limited to, serious neck, head and spinal injuries, serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the musculoskeletal system, serious injury or impairment to other aspects of the body, or effects to the general health and well-being of the child, and in rare cases, death. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate all risk. The student-athlete and parent(s)/legal custodian have a responsibility to help reduce that risk. I understand that student-athletes must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily.

I (the student-athlete and parent(s)/legal custodian) authorize medical treatment should the need arise for such treatment while the student-athlete is under the supervision of the member school. I **consent to medical treatment** for the student-athlete following an injury or illness suffered during practice and/or a contest. I understand that in the case of **injury or illness requiring treatment by medical personnel and transportation to a health care facility**, a reasonable attempt will be made to contact the parent/legal custodian if the student-athlete is a minor, but that, if necessary, the student-athlete will be treated and transported via ambulance to the nearest hospital. I further authorize the use or disclosure of the student-athlete's personally identifiable health information should treatment for illness or injury become necessary.

I (the student-athlete and parent(s)/legal custodian) **understand all concussions are potentially serious** and may result in complications including prolonged brain damage and death if not recognized and managed properly. Further, I understand that if the student-athlete is removed from a practice or competition due to a suspected concussion, he or she will be **unable to return to participation unless and until clearance is given in compliance with applicable laws**. I also acknowledge that I **have received, read, and signed the Gfeller- Waller Concussion Information Sheet, as well as viewed the CrashCourse concussion education video.**

I (the student-athlete and parent(s)/legal custodian) **consent to the NCHSAA's use of the student-athlete's name, image, likeness, and athletic-related information** in reports of contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics, and grant the NCHSAA the right to photograph and/or videotape the participant and further to use the student-athlete's face, likeness, voice, and appearance in connection with exhibitions, publicity, advertising, promotional, and commercial materials without reservation or limitation. The NCHSAA, however, is under no obligation to exercise said rights herein. I further consent to the disclosure, by the member school to the NCHSAA upon the NCHSAA's request, of all records relevant to the student-athlete's eligibility including, but not limited to, their records relating to enrollment, attendance, academic standing, age, discipline, finances, residence, and physical fitness. The student-athlete and parent/legal custodian, individually and on behalf of the student-athlete, hereby irrevocably, and unconditionally release, acquit, and discharge, without limitation, the NCHSAA its officers, agents, attorneys, representatives, and employees (collectively, the "Releasees") from any and all losses, claims, demands, actions and causes of action, obligations, damages, and costs or expenses of any nature (including attorney's fees) that the student and/or legal custodian incur or sustain to person, property, or both, which arise out of, result from, occur during, or are otherwise connected with the student-athlete's participation in interscholastic athletics if due to the ordinary negligence of the Releasees.

By signing this document, we acknowledge that we have read the above information and that we consent to participation by the herein named student-athlete. We understand that the authorizations and rights granted herein are voluntary and that we may revoke any or all of them at any time by submitting said revocation in writing to the student-athlete's member school. We understand that if we submit a revocation, the student-athlete will no longer be eligible for participation in interscholastic athletics; provided, however, that revoking authorization to use the student-athlete's name, image, likeness, and athletic-related information will not affect eligibility.

Gfeller–Waller NCHSAA Student–Athlete & Parent/Legal Custodian Concussion Information Sheet

What is a concussion? A concussion is an injury to the brain caused by a direct or indirect blow to the head. It results in your brain not working as it should. It may or may not cause you to black out or pass out. It can happen to you from a fall, a hit to the head, or a hit to the body that causes your head and your brain to move quickly back and forth.

How do I know if I have a concussion? There are many signs and symptoms that you may have following a concussion. A concussion can affect your thinking, the way your body feels, your mood, or your sleep. Here is what to look for:

Thinking/Remembering	Physical	Emotional/Mood	Sleep
Difficulty thinking clearly	Headache	Irritability-things bother you more easily	Sleeping more than usual
Taking longer to figure things out	Fuzzy or blurry vision	Sadness	Sleeping less than usual
Difficulty concentrating	Feeling sick to your stomach/queasy	Being more moody	Trouble falling asleep
Difficulty remembering new information	Vomiting/throwing up	Feeling nervous or worried	Feeling tired
	Dizziness	Crying more	
	Balance problems		
	Sensitivity to noise or light		

Table is adapted from the Centers for Disease Control and Prevention (<http://www.cdc.gov/concussion/>)

What should I do if I think I have a concussion? If you are having any of the signs or symptoms listed above, you should tell your parents, coach, athletic trainer or school nurse so they can get you the help you need. If a parent notices these symptoms, they should inform the school nurse or athletic trainer.

When should I be particularly concerned? If you have a headache that gets worse over time, you are unable to control your body, you throw up repeatedly or feel more and more sick to your stomach, or your words are coming out funny/slurred, you should let an adult like your parent or coach or teacher know right away, so they can get you the help you need before things get any worse.

What are some of the problems that may affect me after a concussion? You may have trouble in some of your classes at school or even with activities at home. If you continue to play or return to play too early with a concussion, you may have long term trouble remembering things or paying attention, headaches may last a long time, or personality changes can occur. Once you have a concussion, you are more likely to have another concussion.

How do I know when it's ok to return to physical activity and my sport after a concussion? After telling your coach, your parents, and any medical personnel around that you think you have a concussion, you will probably be seen by a doctor trained in helping people with concussions. Your school and your parents can help you decide who is best to treat you and help to make the decision on when you should return to activity/play or practice. Your school will have a policy in place for how to treat concussions. You should not return to play or practice on the same day as your suspected concussion.

You should not have any symptoms at rest or during/after activity when you return to play, as this is a sign your brain has not recovered from the injury.

This information is provided to you by the UNC Matthew Gfeller Sport-Related TBI Research Center, North Carolina Medical Society, North Carolina Athletic Trainers' Association, Brain Injury Association of North Carolina, North Carolina Neuropsychological Society, and North Carolina High School Athletic Association.

	A concussion is a brain injury, which should be reported to my parent(s) or legal custodian(s), my or my child's coach(es), or a medical professional if one is available.	
	A concussion cannot be "seen." Some signs and symptoms might be present immediately; however, other symptoms can appear hours or days after an injury.	
	I will tell my parents, my coach and/or a medical professional about my injuries and illnesses.	Not Applicable
	If I think a teammate has a concussion, I should tell my coach(es), parent(s)/ legal custodian(s) or medical professional about the concussion.	Not Applicable
	I, or my child, will not return to play in a game or practice if a hit to my, or my child's, head or body causes any concussion-related symptoms.	
	I, or my child, will need written permission from a medical professional trained in concussion management to return to play or practice after a concussion.	
	Based on the latest data, most concussions take days or weeks to get better. A concussion may not go away, right away. I realize that resolution from a concussion is a process that may require more than one medical visit.	
	I realize that ER/Urgent Care physicians will not provide clearance to return to play or practice, if seen immediately or shortly after the injury.	
	After a concussion, the brain needs time to heal. I understand that I or my child is much more likely to have another concussion or more serious brain injury if return to play or practice occurs before concussion symptoms go away.	
	Sometimes, repeat concussions can cause serious and long-lasting problems.	
	I have read the concussion symptoms listed on the Student-Athlete/ Parent Legal Custodian Concussion Information Sheet.	
	I have asked an adult and/or medical professional to explain any information contained in the Student-Athlete & Parent Concussion Statement Form or Information Sheet that I do not understand.	

By signing below, we agree that we have read and understand the information contained in the Student-Athlete & Parent/Legal Custodian Concussion Statement Form, and have initialed appropriately beside each statement.

Dear Parents:

If your child participates in athletics in the Randolph County School System, he/she will be covered by the system's All Athletic Insurance Plan. There are definite limits to the athletic insurance coverage. The athletic plan provides only excess coverage. This means that any insurance you have must pay first to the limit of your policy. Only then will the All Athletic Insurance Plan pay. These are limits relative to payment for athletic injuries. Please see the attached sheet listing benefits and limitations of the All Athletic Plan.

It is important to note that the All Athletic Plan covers athletic participation only. If you desire coverage for all school-time activities, you will need to purchase the voluntary school-time insurance available through your school.

Please sign below and return to school prior to the first practice.

I have read and understand the above information about athletic and school-time insurance. I have received and kept the information outlining benefits and exclusions of the All Athletic Plan for my information.

Accident Insurance Information for Parents

Dear Parents:

The school district has purchased an athletic accident insurance plan for the 2022-2023 school year. This insurance may provide benefits for middle school and high school students who participate in school sponsored athletics. This insurance plan is underwritten by an "A" rated company and is endorsed by the N.C. High School Athletic Association and the N.C. Athletic Directors Association.

This Plan is a Limited Benefit Secondary Policy!

This plan may not pay 100% of the medical bills for a school injury, or even the balance after your primary insurance pays.

This means two things:

1. The benefit categories have maximum amounts that are paid out; and
2. This plan pays after any Primary Insurance your child may have.

Please review the partial list of benefits on the back of this letter.

It is Important to Have and/or Purchase Additional Coverage: Accidents may cause an individual to need extensive medical treatment which can be very costly. Therefore, it's recommended that you **purchase additional insurance**. K&K offers additional insurance online at www.studentinsurance-kk.com. For as little as \$9, you can double the benefits!

How to File a Claim for a School Injury:

1. The student **MUST** see a doctor within **60 days** of the injury.
 - This visit should be filed under your Primary Insurance.
 - Request that the provider file to K&K as Secondary Insurer.
2. Obtain a claim form from the school or download at www.studentinsurance-kk.com.
 - Click "**File a Claim**" located under "Quick Services" on the left side of the screen.
 - Download and Print the "Participant Accident" claim form.

A claim cannot be processed without a claim form!
3. Follow the instructions on the claim form. Fill out the claim form **COMPLETELY** and **SIGN IT**. **A school official must also sign the claim form**. Send the completed claim form to the K&K Claims Department **within 90 days of the date of injury**.
 - **Email:** KK.PAclaims@kandkinsurance.com
 - **Fax:** 312.381.9077
4. Request the Itemized Forms (Forms UB04, UB92, or CMS 1500) with CPT/Diagnostic Codes from each provider. CPT codes are required for processing. Submit the itemized forms to K&K.
5. When you receive the Explanation of Benefits (EOB's) from your Primary Insurance, forward the EOB(s) to K&K.
6. **Be sure to keep a copy of all paperwork for your records!** Claims Dept. Phone: 800-237-2917

Filing a claim after an injury is YOUR responsibility. Do not assume that the health care provider or a school official will do this for you. Under HIPAA privacy laws, the school nor insurance agent can obtain claim information from an insurance company or health care provider without your written permission.

We are happy to be selected as your insurance agent for the 2022-2023 school year and will do all that we can to be sure that you receive the best possible service. If, at any point, you have a question or need additional information, just call us tollfree 1.800.476.4339. We will be happy to assist you.

Sincerely,

Gail Gray Dan Nunnery Jessica Mishoe

NCHSAA Concussion Education Video

This year NCHSAA is **REQUIRING** a concussion education video in addition to the concussion information sheet that is included in our annual athletic packet. - While the video is shown from the point of view of only one sport it has great info for all our student-athletes!

Please watch the video attached with your prospective student-athlete. After the video there is a Google Form that you and the student athlete need to complete.

Please note:

- *If you try to skip ahead it will not give you the link to confirm completion.*
- *Do NOT automatically click the blue arrow buttons after the video (you will need to click or cut and paste the GoogleForm link to verify completion). If you are just hitting "forward" you may miss the chance to record your name as "completed".*
- *If you are a multi-sport athlete, click other option and type in both. If you are a parent/ guardian and a coach, click other and type in both. Etc...*
- *Another very helpful tip: If your last name does not match that of your student-athlete, please consider selecting "other" and typing in "parent/ guardian of _____" so the records will be easier to match.*

Throughout this process, you also have the option to help advance concussion education. There are short (~2 minute) surveys before and after the CrashCourse video. These surveys were designed to help improve NCHSAA's understanding of concussion education, and influence future education programs. These surveys are optional, but your input could improve the health and safety of all student athletes. Regardless of whether you participate in the survey, you will receive the same concussion education program.

You can access CrashCourse here (or use the included QR code)
https://stanforduniversity.qualtrics.com/jfe/form/SV_1FygF57fUX1cGY6

Looking forward to a fun, safe, and successful season ahead!
