Evaline Weekly News

10-30-2026

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, **360-785-3460** kmacdonald@evalinesd.k12.wa.us

Sun. Nov. 1st: Daylight Saving Time ends, set clocks back one hour

Conferences Nov. 2nd - Nov. 6th

We will dismiss at 11:30 every day during conference week.

Next Week Lunch Changes

Due to the early dismissals next week, our "sack" lunches will be different from the menu since they will need to travel home.

Veterans Day Ceremony Tuesday, November 10th

Students will be traveling over to Boistfort School for their Veterans Day Ceremony on 11/10/26. The bus will depart at 8:45am for the 9:30 ceremony. Please have your student(s) dress in their nice clothes if possible.

Holiday ASB Fundraiser Wreath Orders

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Fundraiser packets were sent home last week with students. Please read the letter in the fundraiser packet for full details. *** All orders MUST be turned in with money by November 13th.** There will be a prize of hot cocoa with marshmallows and whip cream for any student who sells at least one item. The hot cocoa prize will be served on Nov. 26th.

There will also be prizes for our top 3 sellers!

Wed. 25: Early Release For the Holiday, 11:30 Dismissal
Thurs. 26th - Fri. 27th: Thanksgiving Break - NO SCHOOL

NO Good News Club on early release days

Inclement Weather Conditions

In the event of snow, ice or other inclement weather conditions it may be necessary to adjust school starting time or cancel classes. In these kinds of situations please listen to your local radio stations and News Channels. We try very hard to make decisions by 6:30a.m. Once the decision is made it is posted to the Flash Alert website and they send it out to all local TV and Radio Stations. You can also go to https://flashalert.net and check for delays and closures there. If the alert states that we will be on snow routes, this means that there are roads the bus will not go down **(Please see attached flier for our snow routes and info).** If you DO NOT hear any information regarding Evaline School you must assume school will be in session as usual. In the case of unplanned early dismissals due to emergencies students will either be transported home on the bus or will need to be picked up by their parent/guardian right away. This would include instances of sudden loss of power, water, or accumulation of snow. ***In the event of a late start, these days will always be two hours late. Therefore school will start at 10:30am and the bus will be picking up students two hours later than the normally scheduled pick up time. There will be no breakfast served on late start days.***

TK and Kindergarten
Mrs. Tinnin

This week, kindergarten students learned the letters n, h, f, and s. They should now also be familiar with the sounds for a, c, d, g, i, m, o, and t. We've been practicing how to sound out and blend words using the letters we've learned so far—an exciting step toward reading!

In math, kindergarten is exploring comparing numbers to 10. They are finding one more, one less, and putting the numbers in order.

TK students continued their unit on Families. We're learning about different family members, the roles they play, and how everyone contributes to the family unit. In math, TK is focusing on numbers 1–5, practicing counting, recognition, and one more/one less.

A conference slip with your scheduled time for next week was sent home in your child's planner or folder. If you did not receive one, please let me know, and I'll be happy to send another copy.

I'm really looking forward to meeting with families next week and sharing all the wonderful growth and progress from the first few months of school!

First and Second Grade Explorers
Mrs. Mittge

Thank you to the Booster Club for hosting our Friday Harvest Fest! We appreciate all of your time and effort!

I can't believe we have finished our second month of school! Families, you should have received a conference time via ClassDojo as well as a paper copy inside of students' Boomerang Folders. I am looking forward to meeting with all of you to discuss ways we can partner together to support your children's learning and success. It is such a gift to work with you and your children this school year!

Please continue to read aloud with your child for 30 minutes every night. Students who are reading picture books should be taking an AR test every day. Students reading chapter books should be taking tests at least once a week.

All students should be at or above Leap 2 at this point. If they have not reached Leap 1 by Friday, November 6th, they will be assigned to a reading nook during Lion Paw group time.

Leap 1: Jaxon, Isla, J.T., Clover, Annie, Gemma, Gwen, Oliver

Leap 2: Clara, Josiah, Olivia, Henry, Luke

Leap 3: Jeralynn, Lily, Kylin

Third and Fourth Grade Classroom
Mrs. Mars

Both 3rd and 4th graders have finished their units on multiplication and moved onto division. We will continue to practice their multiplication skills daily as having their facts memorized is essential to continued success in math.

Students spent their time in ELA this week reading about the importance of voting. They did work to understand the difference between a direct quote and a paraphrase before writing 3-5 paragraphs on their own.

We had a fun time this week dressing up for Spirit Week.

Fifth and Sixth Grade Classroom
Mr. Burlingame

Our 5th and 6th graders had a great visit from Civil Air Patrol cadets this week! The cadets taught students about how hovercrafts work and then led them in building their own simple hovercraft models using a CD, bottle cap, and balloon. It was a fun hands-on STEM activity and a great start to our partnership with CAP!

Evaline alumnus Sam was one of the Civil Air Patrol cadets who participated in the classroom visit.
