

October 26, 2021

Dear Knappa Community:

I sent out the weekly update yesterday, but wanted you to know the current county COVID-19 case counts in case you are interested.

This week, Clatsop County's case rate is down to 192.62 per hundred-thousand, which is a decrease of 8 cases over the previous measurement period.

Don't forget to vote!

Bill Fritz, Ph.D.

Superintendent

Knappa School District #4
